

Attendance Overview

Enhance your club's attendance management by upgrading to the new the **Weekly Attendance** functionality. This is an *optional* premium solution offering available to all clubs (and can be combined with other optional club offerings, for an overall lower-cost solution).

The new attendance functions focus on Weekly Attendance tracking at the club and member level. It also, generates weekly meeting sign-in sheets (with barcode option), Name badge inserts, detailed and summary reports by club and member.

Excused Attendance/Exemptions

To support accurate attendance reporting, the new Weekly Attendance functions now include adding exemptions for each member. Exemptions can be added for any period, along with the reason, which are then included in the Weekly Attendance reports as references.

Member Name:* Select a Member to exempt from the list
