Dear Community Friends and Potential Sponsors:

The Rotary Club of Tallahassee Southside is excited to host our 13th Annual Mother-Son Dance this year! This is a signature event for our club, and we are working to make sure that this year's event continues our tradition of celebrating mothers and sons by providing an experience that creates lasting memories for families throughout our community. This year's dance will be held on May 11, 2024, at The Moon.

The mission of the Rotary Club of Tallahassee Southside is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. We are active members of Rotary International, a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Our club has been impacting lives and conducting service in the Tallahassee Southside community since 2005, and such events assist us in achieving greater progress to supporting those lives in the local area.

We hope you will join us in supporting this dance by donating to the Rotary Club of Tallahassee Southside as an Event Sponsor. Your support will be a wonderful addition to this event and would certainly increase the amount raised for our club to continue impacting lives in this area.

We request the honor of your support- proceeds from your sponsorship are re-invested into our community service efforts within Tallahassee's South Side and the community at-large.
