THIS WEEK'S PROGRAM

By Ross Sloan

Installation of Officers & Vision for the Year

This week's program will be the installation of club officers and board members. After the installation, Ross Sloan will share his thoughts on where our club stands now and his vision for the coming year. He will make some personal commitments to the club and ask members to consider a few commitments as well.

LAST WEEK'S PROGRAM

By Melissa R. Drennan

It seemed fitting to end our President Katherine Morosani's Rotary year with one of her favorite things – inducting new members. At the June 30 meeting we welcomed Ed Snyder and Mark Chase as new members to our club.

President Katherine also shared her reflections on the past year. All of us have seen her passion for Rotary so it was no surprise to hear she loved her time serving as our club president. Katherine highlighted accomplishments from the past year, which is a list far too long to include here.

A year ago, Katherine challenged us all to 'reimagine Rotary.' She concluded her remarks with a new challenge to 'redefine what it means to be a Rotarian' and for each of us to take our Rotary experience to the next level. This may mean getting involved with a committee, taking a leadership role, or volunteering service time. Many thanks to Katherine for her terrific leadership of our club over the past

The Downtown Rotary Club has a monthly hike on short routes in and around the city. It goes on the 1st Wednesday of every month at 5pm. We have a fun hike and then have a fun social-home for dinner.

If you are interested, please contact George Lycan at glycan@kw.com

Thirsty Third Thursday

Join us on the third Thursday of each month around 5 pm at Highland Brewery for Thirsty Third Thursday. Join with fellow Rotarians, spouses and partners, friends, guests and anyone else who is interested, sip a libation, and get to know each other a little better. Weather permitting, we'll be out on the Meadow at Highland--if not, we'll be inside.
