This is a project that Rotary New Tampa and 12 other clubs supported: Collin & Robyn Beach from our club were very involved with this effort. Hope for Liver Cancer Patients in Egypt is now complete. 27 Rotarians traveled to Egypt last month to meet members of our host club - Cairo Elite. Photos are from screening clinics in Mansoura Village near Sherbin, which is about 100 miles NE of Cairo. Members of Cairo Elite are all wearing red vests. Educational materials were handed out that focused on identifying signs and symptoms of liver disease. A tour of the Egyptian Liver Research Institute and Hospital was given by Dr. Farahat, who has been vital to this project. The hospital is a modern 100 bed facility with 14 specialized outpatient clinics. Also, a picture of a patient undergoing a medical procedure for liver cancer and pictures of the nurses' training sessions. Overall, this grant paid for 45 patient procedures and specialized training for 40 nurses.

### Is 21-acres enough to contain a bunch of rowdy Rotarians?

Rotary's Camp Florida in Brandon, for more than 30 years, has been helping kids with cancer. The day after Christmas, 1991, 28 Rotarians from 17 different clubs pitched in to acquire the land and launch what is arguably one of the most important Rotary projects in Florida.

That's one of the reasons why this year's District Conference will be there, to raise awareness of this important location and purpose.

Plus, we wanted to be outside.

## Be Sure to Attend the Installation Banquet for DGE Chevon Baccus

Chevon Baccus is a driven, "get-it-done" person who will transform 6890 into an efficient growing machine. A child of Polk County, Chevon grew up in Lake Wales and became a newspaper reporter there in the mid-seventies. She has owned a number of businesses over the years so she knows what success looks like. A long-time Rotarian and founder of "The Ridge" club in Lake Wales, Chevon steps into the District Governor's chair July 1<sup>st</sup>, but will be installed a few days earlier on Wednesday evening June 26 at the Magnolia Building in Lakeland. Register on DACDB. Please follow the QR code for registration and payment.

Prior to that, on Saturday June 8, expect to see a number of awards handed out to clubs and officers as we celebrate the 2023-2024 year at the District Conference at Rotary's Camp Florida, from 9-3pm. Expect food, music, games and swimming, a DG Dunk Tank, and a special presentation about one of our newest clubs. See you there. Again, register on DACDB.

Only a couple of months left in the fiscal year. Promote Rotary. Celebrate Rotary. Make Rotary a bigger part of your life, and therefore in the lives you impact. See you soon.

DG Steve
