Recent Scholarships Winners Glynn County K-9 Program

Scholarship recipient Katie Ann Walsh will be a Senior at William and Mary. She has a double major, Neuroscience and Music. She will be working at FLETC this summer and also be applying to graduate schools.

Ryan Walsh will be a sophomore at Nortre Dame. He is majoring in Philosophy and Mathematics and considering a minor in Constitutional Studies. He wishes to attend Law School after graduation. He is also a part of the Glynn Family Honors Program at Notre Dame which has allowed him to travel to several cities here and abroad. He will be working at a law firm in Brunswick this summer.

Both Katie Ann and Ryan expressed their appreciation for the Rotary scholarships and the opportunities they provided by them.

The Glynn County Police K-9 Unit gave a demonstration of both Narcotics dogs and tracking dogs. Each dog goes through training with its handler and lives with the handler and family. We had a fun time outdoors watching a narcotics dog immediately find the “bucket” containing narcotics. Then a tracking dog found an item dropped in the grass by sniffing the owner. One of the officers hid behind a tree and was “found” by a bloodhound after it sniffed his hat.

TAPS AT TWILIGHT

For 33 years, our club has presented TAPS at Twilight as a Memorial Day tribute. Again this year, a great crowd decked out in red, white & blue gathered to listen to the patriotic concert, wave flags and pause to honor the men and women who have fought and died for our freedoms. Our special thanks to Susan Imhoff who organized every detail of the event to insure the evening was a solemn and meaningful recognition of the sacrifices our men and women in uniform have made for our freedoms.

The day began with Susan directing a team of energetic Rotary volunteers in setting up chairs and hanging banners.

A special Shout-Out to Chip Lewis who was able to keep parking spaces for the presenters and special guests.

As the crowd arrived, Mike Murphy and Mark Wilson were on hand selling flags and veteran bricks to help to cover the costs of TAPS. One of our club's veterans, John Gibson, presented the wreath, a reverent recognition of the bravery of the fallen. Our speaker was US Army Colonel Kevin Brown (retired). The program closed with the retirement of the colors and "Taps." A special moment for everyone was when the evening's tribute was dedicated to Paul H. Sanders, US Navy.

Volunteers Needed

Friday June 14th, 40 RYLA students will be taken to the beach. Some have never been to the ocean. Volunteers are needed to help keep watch. Contact Leslie Mattingly if you are able to help.
