## What's in Your Toolbox?

By Tom Greene on Monday, November 14, 2022

I am sure you have seen the commercials that run on the theme of "What's In Your Wallet?" It's about having an advantage in your shopping experience.

Did you know that the Rotary Leadership - Heart of America Division has a similar question for you? This question is: -- "What's in your personal toolkit?" Let me explain - [Read More](#)

## After the Covid Storm, RLI-HOA soldiers on! Can you help?

By Jeffrey Romine on Monday, November 14, 2022

The visual images of the lost and damaged property in the aftermath of hurricanes, tornados and fires dramatically influence viewers. Hopes and prayers go out to the individuals that are adversely affected. Financial aid may follow. Often, storm affected individuals demonstrate perseverance and persistence, and after shedding tears, develop a resolve and commitment to rebuilding their lives as they move forward. Help is deeply appreciated.

### Disaster Strikes

Much like a storm, the Covid pandemic adversely affected countless lives, communities, and service organizations. Some Rotary Clubs were seriously injured and destroyed, while others were only damaged. The RLI-HOA leadership and educational program was heavily damaged for understandable reasons. [Read More](#)

## Tips from our Registrar

By Jeffrey Romine on Tuesday, November 29, 2022

Your RLI-HOA leadership wants your District to have a successful RLI program. JD Rottero recently took some time to record his advice for RLI District and Regional Coordinators to assist them with the RLI planning and registration process.
