Rotary Club of Edmonds

October, 2024

A note from your President:

It's official, Autumn is here. And with that comes the beautiful fall colors, crisp morning air, sweater weather and dare I say a Pumpkin spice latte?

I can't say enough about the outstanding job our club and the Oktoberfest planning team did to pull off the event this year. Thank you to everyone that contributed to the success of the event!

Speaking of Oktoberfest...In case you all didn't hear, our club received the Silver Award for the 2023 best Beer Festival in the recent edition of the Seattle Times – Best in The NW Contest. Congratulations to Maggie Peterson, Chairperson, her team, and the club!

(Cut-off date for this award was June 28th, 2024)

This month at the upcoming Rotary Foundation Gala on October 10th, our club will be recognized by the district for 100% participation in the Rotary Foundation giving program. A milestone that only one third of the clubs achieve in our district. Way to go Rotary Club of Edmonds!

With the changing of the seasons, I'm looking forward to slowing down a bit, taking time to focus on making meaningful connections with new and old friends.

Warm regards,

Suzanne

# Member Pride

Debbie Danekas is awarded her Paul Harris Fellowship.

Suzanne exchanges flag with George Kycbakoff of San Antonio, Texas

*Congrats!*

**NANCY HERTL AND
