PROGRAM

DICK BARCLAY introduced Don Pischner, a native of Coeur d'Alene. He grew up in the old fort grounds, attended CDA High and North Idaho Junior College (as it was once named), is an Army veteran and served 8 years in the House of Representatives for the state of Idaho. Pischner is also one of the governor's seven trustees of the Idaho State Historical Society. He has served on the Board of Directors (twice) to the Museum of North Idaho. He has a great love of Rotary as La Donna Beaumont with the Sunrise Club honored him with a Paul Harris Fellow.

Many of the historical photos in the presentation are from the Museum of North Idaho. It is hard to capture all of the information given in the presentation, so I will refer to BRITT THURMAN, fellow Rotarian, to help with the history lessons! Or better yet, GO VISIT the Museum of North Idaho.
