MOMENT OF IMPACT

JIM FAUCHER was president of our club from 1992 to 1993. He is a proud alumnus of the University of Idaho with a degree in history and journalism. He moved to Coeur d'Alene in 1984 to serve as director of the (former) Kootenai Medical Center Foundation and vice-president of community development. Under Jim's tenure, he introduced the community to the Festival of Trees, the hospital's annual fundraiser during the Thanksgiving holiday weekend. Jim was the 71st president of our club and helped create the Sunrise Rotary Club, a spin-off of our club, and the second Rotary club to charter in Coeur d'Alene.

NIC Carpentry students helped to build the Rotary Lakeside Bandshell. The inaugural Rose Sale contributed to the project with the theme "Roses Make Great Music". The project spanned three Rotary presidents from 1990-1993 Paul Anderson, Dave Schreiber, Jim Faucher. In July 1992, there was a celebration to open the bandshell. The total cost was nearly \$200,000.

SRVIVRS Presentation

Steve Leavitt - Past District Governor of Southern Alberta

Stacy Nearing is Steve's oldest daughter who has been on the road for 3.5 months with her family living in a motorhome. She was raised in a family of service, and it has carried through her life. On August 26, 2017, her family was in a rollover accident in Wyoming. Her family survived, except for her oldest daughter, Lilli. The theme of their life became "Live Like Lilli", as she sought out ways to serve others, answering the daily questions: "What did you do for someone today?"

Stacy's husband is embarking on the [Black Pearl Project](#). The Black Pearl Project is an awareness campaign to help others transform their grief into a gift through service. It entails running to every U.S. Capitol building in the lower 48 states in approximately 1 year (17000+ miles); Moving In Memory of someone every day. SEE GOOD. DO GOOD. SHARE GOOD.

HAPPY DOLLARS

Dan Crawford gave \$20 to celebrate his new granddaughter Breanne. He also is grateful to have planted a Disaster Aid trailer in Colville, WA yesterday.

Skip Priest gave \$50 in the name of Kim Ashbaugh to the CDA Rotary Foundation for her 25+ years of service cleaning up Tubbs Hill.

PROGRAM

KATIE SCHREIBER introduced LUCINDA ADE, who will be sharing her Meet Our Member and My Rotary Story. Lucinda led the Rose Sale for our club for decades and has a very humble heart of service.

Lucinda's dad was a career Army dentist, and her mother came from a military family. Her grandfather was a two star general. Born in Greensboro, NC, Lucinda's mother took her and her sister who rode the train to the west coast to get on a plane to Osaka, Japan to meet her father who was serving there. Her dad often assisted in surgeries during the war. Living the life of a military brat can be very challenging, and they moved frequently as her father was relocated around the country and world for his Army service.

She experienced living in Hawaii when it became a state. What an experience! She had to leave the US the summer prior to her senior year when the family moved to Paris. Her senior prom was at the Eiffel Tower. First year of college in Munich, Germany. Transferred to Fort Collins, CO and met her future husband there. After graduation her husband was assigned to New Zealand to be a

ner future husband there. After graduation her husband was recruited to New Zealand to be a veterinarian, where their first child was born. Their second son was born in Irvine, CA, where her husband purchased a Newport Harbor Animal Hospital in Orange County.

They traveled the country to find a place to relocate, and 45 years ago they moved to CDA to purchase Sunset Animal Hospital. Their daughter was born in CDA and Lucinda became a stay-at-home mom and volunteer extraordinaire! She got to know many community members and Jim Faucher recruited her to apply for the new Executive Director of United Way position. She got the job and soon after, Jim sponsored her membership in 1995 and Lucinda has been a Rotarian for 29 years. She has helped with the Rose Sale for a quarter of a century! She enjoys golf, bridge, gardening, and Rotary.
