Laura is considering running for President of Rotary for a third term.

Carlos led us in the pledge

GUESTS

Herb Lingl introduced his guest Thomas Chan. Laura introduced Lila Powere, a former member of our Club who is contemplating rejoining our Club

THOUGHT FOR THE DAY

We paused to remember the two students and two teachers who were murdered in yet another school shooting in "we din't believe in any gun regulations" in Georgia. We also had a moment of silence to remember Pam shine Duncan's daughter, who recently passed away.

DETECTIVE & HAPPY BUCKS AND DOES

Alex was complimented for her excellent job as the Greeter. We unanimously agreed to keep her on as the greeter until 2028.

Beth and her new Grand Baby spent the day at our new park chasing after men and boys.

John offered up either \$10 or \$1000 for the fantastic talent the Club exhibited at last weeks Karaoke fest. I couldn't tell what amount he offered because my dear friend Dna ws talking to me. My solution is that John pay \$10 and Dana pay \$90.

Laura was happy that Dave went to Burning Man, and it took him 11 hours to get home. She loved the quiet time.

Tom Lincoln discovered that he has an 11 year old grand son.

ANNOUNCEMENTS

Deborah is selling her homegrown produce out of the trunk of her car. Cash only please.

Jennifer is still trying to unload tons of hamburgers.

Marie offered a public device announcement in an effort to increase the circulation of her newsletter. Most Rotarians get their news from the Rotogam, because we rarely tell you about upcoming work parties. If you don't know about the work parties, you don't have to show up.
