## November 20, 2024

By Tom Lincoln, Cub Reporter

### Call to Order

President Pam called the meeting to order at 12:10.

### Pledge

Lilia led us in the pledge to our flag.

### Guests

No guests today.

### Happy Bucks/Detective

Tom O'Rourke came to the rescue of Chief Detective Lance, who was confined to the corner all meeting.

The happy confessions of the day were:

\$10 from Pam because Mark was a no-show at the "Time Capsule" meeting held yesterday. A lot actually got done in his absence.

\$10 from Jeff, who was happy that Lance was confined to the corner.

\$10 from David MW, who was happy that he delegated to a car "concierge" the hard job of negotiating the price for a vehicle he was purchasing.

\$10 from Judy, who had great pity for Lance.

\$10 from Jeff, who had just returned from Mexico to escape potential election violence.

\$10 from Dave S, who was happy that he showed up late for the meeting and had no idea why Lance was stuck in the corner. He joined him there.

\$10 from Ruth, who offered to buy a bar of soap for Lance.

\$10 from Lance out of pity for Jeff, who was not happy with the outcome of the 49er's Sunday game.

\$10 from Beth for not being properly prepared with the Sunshine report.

### **Rotary Rockstar**

Attorney John was singled out as the Pamster's Rotary Rockstar for November. Congratulations John!!

### **Announcements**

Marie is distributing trees along Main Street this Saturday. Meet at her home on Lakeshore Dr. north of town at 8 a.m. Should all be wrapped up by noon.

Pam has scheduled the club holiday party for Dec. 18 at Lake Event Design.

Pam is still looking for volunteers to speak with local high schoolers regarding career choices.

David handed out XMAS wish lists for children in the county victim/witness program. He's asking for gifts valued at a minimum of \$50. Gifts need to be given to him by Dec. 9.

### **Program (Rotary Bumbles)**

Information was shared about several subjects, the most important of which was this Spring's Club Centennial Gala. It is scheduled for May 31 at Konocti Harbor Resort. A committee has been formed to work out the details, but in the meantime, Pam asks everyone to be a "history hunter." She needs interesting tidbits regarding club history, the more unique the better.

Part of the Centennial will be the burial of the club time capsule in the new Lakefront park. Pam needs ideas of what should be included in the capsule. Mark pointed out that wood objects can be placed in the box. He agreed, however, that a club member would also qualify as box contents. The sky is the limit!

### **Finley**

Neither Ruth nor I won money.
