October- Economic & Community Development

Hello to my Rotary friends and family! I can't believe we have completed three months of the Rotary year already. October brings cooler weather and Rotary's Economic and Community Development month.

As I have made my way to 46 of our 55 Rotary Clubs and 2 of our 6 Rotaract Clubs, I am amazed at all the wonderful projects, activities and fundraisers we are doing to have an impact on our communities, both locally and internationally. If you think about it, everything we do has an affect on our economic and community development. Every non-profit we support, educational institution we help, environmental project we get our hands dirty with, helps develop and support our economy, communities and the people we strive to serve.

Internationally, many times the need is greater and the support to bring change and development can seem so basic, such as clean water. Many of our clubs have taken on International Projects related to water, because the change it can bring, is so great. We have or are currently participating in water projects in Thailand, Honduras, El Salvador and Tanzania, just to name a few. Clean water obviously saves lives, but also helps keep children in school since they don't have to spend their day collecting dirty water, it allows the community to grow crops and raise livestock for themselves and to sell, which all provides a sustainable economy and a brighter future for the entire community.

Another project that I have been introducing to the clubs and with an article in the last newsletter, is in Mexico. Rotary San Miguel de Allende Midday is hosting a new global grant project called "Wise Girls" and it will make a significant difference in thousands of girls' health and education, as well as the families who depend upon them.

About 80% of young girls in developing countries miss about a quarter of the school year, fall behind, and lose the education necessary to prepare for a successful life. Frustrated, many drop out of school altogether. Why? Simply because they lose their self-esteem when they reach puberty due to inadequate information and preparation for the cycle of life. In many cultures, menstruation is viewed as shameful, unclean, and something to be hidden; and unlike in developed nations, essential sanitary supplies are beyond the financial reach of most.

Economic & Community Development

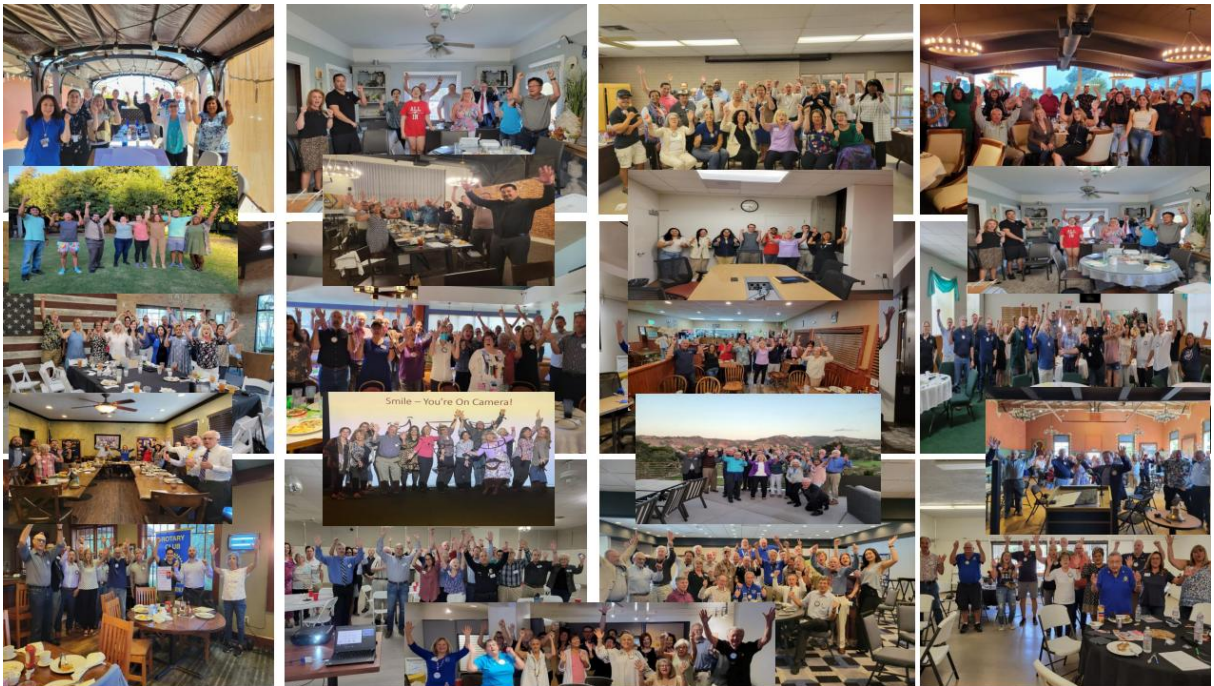

The Wise Girls project provides education, opportunity, and sustainable products for girls reaching puberty. By providing this support for these young ladies, they are able to stay in and finish school, and become productive members of their community and economy. To hear more about the project or to make a donation, please contact our District Empowering Girls Ambassador, Mark Grandcolas, of Carmel by the Sea Rotary Club, at mjgrandcolas@gmail.com who is championing this project for District 5230.

Rotary provides Disaster Relief Grants to help rebuild local economies and re-develop the community and District 5230 has processed several of them over the years. Past grants were approved to provide food during Covid, recovery efforts due to wild fires in our areas and other emergencies in our local communities. Sometimes, our efforts focus on a country that needs help due to strife, like the Ukraine. Rotary raised 15 million in funds to support the Ukraine, and District 5230 is participating in three Disaster Relief Grants to release those funds for medical supplies, food, housing and other refugee support. If you or your club donated to this fund, please know your efforts and generosity are being put to good use and will support the people there to have a brighter future.

Each time you work on a new or existing project, think about the greater affect it is having, and the exponential impact it can provide to those individuals, organizations and your community. That is the power of Rotary, and what can happen when like-minded people get together and take action. I know I'm very proud and in awe of everything you do, and thank you so much for your service to others.

Yours in Rotary Service,

Becky Moser, DG

Meet Pauline Hershey-Gambino | Communications Chair

Aspire to live by Rotarian principles and believe that we can accomplish anything!

In 2004 I married the love of my life, Paul Gambino. Our blended family includes 7 kids ranging from 41 years down to our Sophomore in High School. Suffice it to say, raising 3 generations of kids keeps things fresh. Like Susan Winey, (same school and graduating class), I was born and raised in Visalia, California. I have two siblings, Chris and Diana. Dad taught vocal music and my mom, elementary school. Being the daughter of educators, I became a lifelong learner. I am very grateful for this, because the year I graduated HS was the same year the personal computer was invented. Talk about changes we've seen since then!

Early on, I earned my Bachelor of Fine Arts, Graphic Design from UCLA. After college I worked for a design firm, home video company, television network and a record label - all in Southern California, prior to starting my own business. I loved the energy of the big city back then. Moving to Kings County wasn't easy, but man - no traffic jams, friendly people and being able to drive across town (Hanford) in 5 minutes, sure were pluses! I've called Hanford my home since 1993.

Business ownership began in 1991 with the purchase of a distressed print shop in Canoga Park. All Valley Printing, Inc. (avprint.com) was originally "Iguana Press!". Getting involved in a small community is a lot easier than in LA. The Chamber of Commerce was SO welcoming. I joined the Rotary Club of Hanford in 1999. PDG J. Richard Neill (Dec.) told me in no uncertain terms that to do business in Hanford, I MUST join Rotary. So I did. But of course, Rotary, I learned quickly, was so much more than networking and connections. I have also been involved in our local Chambers of Commerce, Main Street Hanford, Kings Art Center, city planning processes and professional organizations.

In the aftermath of the recession of 2008, I chose to dive more into "Communications for Good", working with Cause Communications; facilitating the re-development of Kings Partnership for Prevention; and as Resource Development Director with the Boys and Girls Clubs of Fresno County. During that short last gig, I got to know the awesome folks in Fig Garden Rotary. Finally, I decided to take some courses in Comms Mgmt. What a blast. I did have to take a mental health break, learning that one cannot successfully operate without sleep for days on end. (Who Knew? lol...)

Like Dorothy in the Wizard of Oz, I came home to my small company AND to my original Rotary Club.

I've been happily playing at my day job again for the past 5 years. There truly is "no place like home". Prior to being asked last year by DG Mackey to handle communications, I did have 2 stints under PDG George Wade and PDG Shirley Grace, where I helped them to visually communicate their individual themes. George's "Joined-Stayed" campaign and Shirley's "We are Rotary". I am very proud of this work. I consider the 2021-23 Comms Teams extensions of my family. This group of dedicated volunteers are all working to help our district communicate well.

Finally - Spare time? What spare time? I enjoy - Theatre, Concerts, Museums, Yoga and Travel.

MY FAVORITE QUOTES ♥

World Polio Day 2022

Visit endpolio.org

24 October is World Polio Day!

As World Polio Day approaches, we're getting ready to amplify our message about eradicating polio to protect the world's children from this devastating disease.

We've made tremendous progress so far, and now's the time to intensify our fight to make polio the second human disease ever to be eradicated. In 2020, the World Health Organization's African region was certified free of wild poliovirus, showing that eradication is possible even in very difficult circumstances.

The wild poliovirus remains endemic in just two countries — Afghanistan and Pakistan— but as long as polio exists anywhere, it remains a threat everywhere. So let's use World Polio Day to advocate for the support we need to end polio in countries where children are still at risk.

Get involved

Take action this World Polio Day by hosting virtual and community events, creating fundraisers, and sharing posts about the importance of polio eradication on social media.

Use the World Polio Day Toolkit to find resources and tips for planning activities and promoting a polio-free world.

<https://msgfocus.rotary.org/c/1MNNXpACpTouv6JYM4V4peyrnTxG>

Register your club's participation in World Polio Day to show how your club is taking action to eradicate polio. If you register your events, fundraisers, and promotions by 13 October, you'll get early access to Rotary's World Polio Day Global Update, one week before the program airs on 24 October on Rotary's Facebook page and endpolio.org.

<https://msgfocus.rotary.org/c/1MNNXEMHzzfYV6xUpWyzesUHaJc3>

Use Raise for Rotary to start a World Polio Day online fundraiser. All contributions will go to the PolioPlus Fund. The top Raise for Rotary World Polio Day 2022 fundraisers will be featured on My Rotary.

World Polio Day messages are sent to a broad range of polio eradication advocates, including:

- *The RI Board of Directors and directors-elect*
- *The Rotary Foundation Board of Trustees and incoming trustees*
- *Past RI presidents*
- *District governors, assistant governors, and governors-elect*
- *Rotary and Rotaract club presidents*
- *Regional leaders (RRFCs, RCs, RPICs, E/MGAs, and End Polio Now coordinators)*
- *District Rotary Foundation chairs*
- *The Communications Committee*
- *End Polio Now newsletter subscribers*
- *PolioPlus committees (the International PolioPlus Committee, End Polio Now: Countdown to History Campaign Committee, Polio Eradication Advocacy Task Forces, PolioPlus national advocacy advisers, national PolioPlus chairs, district PolioPlus subcommittee chairs)*

Economic & Community Development

ROTARIANS ARE PEOPLE OF ACTION

Rotarians all across Rotary District 5230, from the Sierra to the Sea, care about our communities. One way we can show that is by donating blood, plasma or platelets. All through the month of November, our **Rotarians, family and friends** are encouraged to join us in this effort and give the precious gift of life and give blood.

Help them through a time of illness, surgery or accident. Blood donation has saved the lives of so many, and we can help address the shortages others experience, especially during the holiday season.

Our event "A Pint for a Paul" is to recognize the Founder of Rotary International, Paul Harris. His ideals of community service and caring for each other, have lasted for 117 years, and will continue far into the future because of people like you.

Please join us in the coming weeks, to give of yourself and make a difference for others just like you and me. **We have set a goal for District 5230 to donate 300 units, which could help save 900 lives!** Paul and District 5230 Rotarians thank you.

Rotarians that give blood will be entered into an opportunity drawing for several full or half Paul Harris Fellows donated by District 5230, your DG line and several other caring Rotarians (points equivalent to a \$1,000 or \$500 donation to the Rotary Foundation). All donors will be entered into an opportunity drawing for several \$50 gift cards, District t-shirts and other gifts from your local District area. Make sure you and anyone that donates on your Clubs behalf, identifies your Rotary Club when donating – The Club with the most donations will win bragging rights and a special "Pint for a Paul" trophy!

If you have any questions regarding the Blood Drive in your area, please contact our District Community Service Project Leads for this event:

Kevin Kenoyer (Monterey County) – (831) 224-2980 or kevinkenoyer@gmail.com

Leslie Botos (Fresno) – (916) 616-5775 or lesliebotos@gmail.com

Merritt Wiseman (South Valley) – (559) 799-4586 or rotarymerritt@gmail.com

WHY DONATE BLOOD?

Here in the Central Valley, we embrace the uniqueness of each person while working together to make it a home for all. A big part of that has been sharing our blood with local people who need it most, from accident and burn victims, to patients battling cancer or receiving organ transplants. To help make sure there's an adequate supply of blood is available for your family, friends, and neighbors your donation is needed at one of our convenient centers or one of the many mobile blood drives held every day around the Central Valley.

The Central California Blood Center provides blood to patients who receive care at 30 hospitals and their network of facilities in Fresno Tulare, Madera, Kings and Mariposa Counties. 5,000 to 6,000 pints of blood must be collected per month to meet the needs of patients in our Central Valley community.

THEM INVOLVED AND HAVE FUN!

Hey, just sending out a quick communication on Rotary Vocational Service. If your club has a story to share around vocational service, please make sure to send that over to Mark Daniel. Further, if you already don't know about Rotary "Service In Action Blog", please check it out:

<https://rotaryserviceblog.org/>

"Rotary Service in Action is a Rotary [blog](https://rotaryserviceblog.org/) to help our members and supporters plan effective and inspired service projects."

Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Additional informational emails (short and quick) about vocational projects, vocational services, meeting ideas, supportive documents, etc. will be going to each of your clubs.

Cheers!

Aloha!

During a recent trip to Maui, Past President Joe Villareal and current Secretary and President-Elect Christine Villareal, of the Fresno Sunrise Rotary Club, hosted member John Moore and his wife, Joannie, at lunch. John has continued to be a member of the Fresno Sunrise Rotary Club, even though he has relocated to Maui where he is a member of the Rotary Club of Kihei-Wailea. John is a past president of Kihei-Wailea, serving in the Rotary year 2017-2018.

Past President Joe presented John with a Chocolescious Run t-shirt, in appreciation for his continued support of the Fresno Sunrise Rotary Club, including a generous sponsorship for that event. Thank you, John, for your dedication to all things Rotary! Mahalo!
