### ROTSCOPE President's Corner September 5, 2024 Written by Paul Brassard

#### LATE BREAKING NEWS! THE MOTOR CLASSIC A HUGE SUCCESS!

Publication of the Rotoscope was delayed to include the results of the Gala on Saturday and the Motor Classic on Sunday. Not surprising, both were very successful, thanks to the participation of our club members as volunteers, as donors and advertisers and as guests at the Gala. The mild temperatures helped make the events extra pleasant. I was following the weather report in advance of the weekend and knew the temperatures would be favorable. The only thing I still worried about was the fact that this was the "13th" Motor Classic. This number gave me memories of Apollo 13 from 1970. But Aaron's "luck of the Irish" trumped the number 13.

**August 22 Meeting Recap: Magician Vin Chee entertains us with his magic and his story.**

Vin Chee is the son of a well-to-do family in Malaysia. While still a teenager he left home to pursue a career as a performer—first as a singer and then as a magician. He arrived in the U.S., perfected his craft, and performs regularly at local clubs. But show business is a difficult career, and you wonder if at some point he will return to Malaysia to take over the family businesses. Thanks to Rob Feidler for bringing us this program.
