San Marino Rotary ROTOSCOPE President's Corner Written by Paul Brassard

RECAP of the Oct 3 Meeting: Andy Link of Common Space Brewery
Andy Link, the SMHS graduate who is the driving force behind the Common Space Brewery, taught us how beer is made. He also introduced his company's business model and philosophy. The factory/headquarters in Hawthorne functions as an event space with a working brewery inside. Thirty percent of their beer sales goes through the home location. The rest is distributed by themselves to such outlets as Trader Joe's and Whole Foods. The company prides itself on treating their employees well and Andy makes an annual trip to the Pacific Northwest to meet with their natural ingredient suppliers to ensure the best possible quality. Free samples were distributed after the meeting. Many thanks to Rick Chou for arranging this interesting program.

District Governor Mike Driebe was "in the house" and took time to honor Stephanie Johnson for her work year-round as an "insider" of the Motor Classic. As you know, the Motor Classic is our club's primary source of funds for charities. Governor Driebe also called out Denise Wadsworth, saying, he has "visited over 35 clubs so far and none has an Interact club with the programs and participation that Denise has at the high school." Well said.

October 10th Program: Larry Stewart, Sportswriter

Veteran sportswriter Larry Stewart began his writing career in 1969, working for the former L.A. Herald Examiner. In 1979, he switched to the L.A. Times, where he was best known for his sports TV-Radio column. Here he developed strong relationships with many broadcasting greats, including Vin Scully, Dick Enberg, and Chick Hearn, and national figures like Howard Cosell, Curt Gowdy and John Madden. He also interacted with the great athletes of that era. Larry will talk about his long career and provide anecdotes on many of the biggest names in sports. Stewart has lived in Arcadia since 1978. This program is brought to us by Claude Delgado.

SAVE THE DATE; PAUL HARRIS LUNCHEON March 13, 2025

Don't miss our annual PHF luncheon at the elegant Huntington Library banquet hall. This year we will be honoring Al and Sue Boege. The Boeges are dedicated volunteers. Both have been volunteered for years with local organizations, including The Huntington, San Marino Community Church, San Marino League, San Marino City Club, San Marino Historical Society and others. Al also served on the City's Public Safety Commission for several years. As part of that position, he helped the Traffic Safety Task Force complete its report last year. Al has been actively involved in the San Marino City Club since 1984 and served as its President in 2010. This year he is serving as the Club's Treasurer and getting it back in business.
