ROTSCOPE President's Corner September 5, 2024 Written by Paul Brassard

HERE COMES THE GOVERNOR!

It's always special when the Rotary District Governor (DG) makes their official annual visit to the club. But this year is extra special because the DG, Mike Driebe, is from our club. So, we will give him an extra special welcome this week when he comes to share his vision for District 5300 of which we are one of 60 clubs.

For those new to the club, Mike graduated from University of Laverne and has decades of experience as a fundraising executive, most recently with USC Arcadia Hospital. During his career he has served on many important Boards, including the Jaycees, the Chambers of Commerce, and the Los Angeles Country Fair Association. His Rotary career includes being president of the Pomona club in 1994 and our club in 2015 as well as many Rotary positions with District 5300. Mike and Sylvia have been married since 1985 and enjoy art, music, food, travel, and frequent trips to Disneyland.

JUST THE FACTS: SCHOOL DISTRICT BOND MEASURE

As leaders in the community, we need to know what is going on. With that in mind, I have invited Mikah O'Mara, co-chair of the Committee for Safe Modern San Marino Schools, to brief us on the upcoming school bond measure.

children of Rotary members were on hand to be inducted as Associate Members of the club. Thanks to Russ Osmonson for organizing the event and thanks to Ginny Hsiao for getting the Associate Member program off to a great start. Please note, spouses of Rotarians can also become Associate Members.

Another Long Time Rotarian Passes.

This just in from Bill Payne. Cal Taylor passed away August 28, from heart and cancer issues complicated by pneumonia. He was 90 years old. Cal died at home with wife Karen and their children at his side.

He had been a member of San Marino Rotary for 26 years, and a Rotarian initially in a club in the San Juaquin Valley. He is a Paul Harris Fellow. Cal was a Penn State graduate and followed their football team's exploits faithfully. He was in the agricultural supply business. The Taylors were long-time members of Community Church, and avid bridge players.
