The Gifts of Time and Donations from Rotarians!

Hi Madrid, this is **Minerva at McKinley Elementary School**.

I just wanted to let you know that we have received the books. These books are processed and they are out for the kids to start reading.

This week the kids get to check them out because we are working on nonfiction.

I also bought some clear bins for them to go in so they are easily accessible and students are able to browse through these books easier.

My project was to get Biographies so that the kids are inspired by people who made a difference in our world.

SAVE the DATE - Rotary Meeting - November 6

Annual Long Beach Rotary Scholarship Foundation Day! "Making a Difference, Every Day"

Mark your calendar and look forward to an energizing day where Rotarians lunch with our Scholarship Students, engage in conversations with these 'possibly' future Rotarians AND hear what their Rotary Scholarship means to them.

Make a reservation **NOW** with Madrid and don't miss this inspiring day!

Rotary Connecting!

Rotary Connections did it again! Special thanks to the **Committee** and to Rotarian **Roger Civalleri and wife, Patty**, for opening their home! And thank you, **Rachel (Florida) Massari**, for the beautiful photographs. ENJOY!
