Membership in the Rotary Club of Long Beach (RCLB)

By Sarah Soriano, Membership Service Director

The Membership Committee has set an ambitious goal this year of recruiting 42 new members to our Club. Each and everyone, please consider you as an integral part of the Membership Committee!

As you are thinking about who you might know, who may be interested in joining, I'd like to refer you to a recent article by Ray Sanford, "Rotary's Challenge" Preserving our Soul. He reminds us that:

"Rotary is more than just an organization; it's a global community. The spirit of fellowship, the dedication to service above self, and the commitment to ethical business practices form the soul of the Rotary brand. How does one measure the warmth of a handshake, the sincerity of a smile, or the depth of camaraderie fostered over years of shared service? These intangible qualities are the cornerstone of Rotary, yet they defy quantification."

Please consider bringing a potential member to a lunch meeting where a brochure titled "Good People Doing Good Works Making Good Friends, Join the Rotary Club of Long Beach" is available at the Guest Table.

Our next **Rotary Connections** (formerly *Rotary Revealed*) is **July 25th** from **5:30 pm** to **7:30 pm** at the home of Natalie Hale. Your Evite was sent out on Monday, 7/8. All are welcome and please bring a guest!

"Our strength is in the depth of relationships we've formed
and the lasting impact of our service."

Welcome...

By Henry C. Fung, Co-Sponsor with Jill Baker

It is Jill Baker and my pleasure to introduce **Brian L. Moskovitz** to our Rotary Club of Long Beach.

Brian is a Long Beach native and an alumnus of Long Beach Poly, CSULB (B.S.), and Pepperdine (M.S. in Educational Administration). Through the years, he has served in our Long Beach Unified School District as a Teacher, Principal, Director, Assistant Superintendent, and is currently LBUSD's Chief Academic Officer. Brian, Christy (his wife), and sons (Andrew and Owen) are Long Beach residents. As you may know, Andrew was introduced as our Club's New Member at our last 2023-24 Rotary meeting in June. Fun fact: with Brian joining, Brian and Andrew will add to our Club's roster where both father and son(s) are LB Rotarians!

I first met Brian when he was Jefferson Middle School's Principal and collaborated with him and his faculty to provide tutoring for their students in the sciences and mathematics. More recently, his responsibilities include oversight and Chair of the Advisory Board for the *Educare Los Angeles at Long Beach Program* (located on the Barton Elementary School campus). This *Educare Program* provides educational experiences for Long Beach families and their children who are at six-months of age through Pre-Kindergarten.

Brian Moskovitz is also active in the Long Beach community and has held/holds positions on the Boards for the YMCA and Boy Scouts as well as having served as a Scoutmaster for the Boy Scouts. Brian's sports and hobbies include golfing and backpacking.

Please join Jill Baker and me in WELCOMING **Brian Moskovitz** as our Newest Member to the Rotary Club of Long Beach!
