## Eaton Rapids Interact Club booming and busy

When Eaton Rapids High School held its graduation ceremony last May, the school's Interact Club lost more than half its members and all of its officers and committee chairs.

While the club started out the 2024-25 school year with a robust 28 members, any concern for the future of the ERHS Interact Club was proven to be overly pessimistic.

Membership has already surpassed levels from last year, with 70 students now on the rolls, making it the largest club at the school.
