

Don't Miss Next Week's Program

You don't want to miss lunch next week at The Boat House!

Join us on July 16 at noon to hear from Bear Davis, Executive Director of the Urban Lacrosse Academy. As former head coach of the professional lacrosse team, the Ohio Machine, Bear Davis was part of a concerted effort to get a stick in the hand of every child in the Central Ohio area. The Urban Lacrosse Academy was later born because of this effort. Learn more about the mission and impact of this organization on Tuesday!

Wine Down Wednesday

Wine Down Wednesdays are back!

This year, there will only be 3 regular Columbus Rotary meetings per month. For the last week of the month, instead of a Tuesday lunch, we will have a Wednesday evening social.

JULY WINE DOWN WEDNESDAY: LAND-GRANT BREWING COMPANY

July 31 from 5-7pm at Land-Grant Brewing, 424 W. Town St.

had to pull in another table and more chairs at the last minute!

Bruce Harkey gave an interesting talk on the future of the Franklin Park Conservatory, including plans for renovation, expansion, and botanical innovation. One of my favorite things about listening to speakers at Columbus Rotary is feeling in-the-know about the latest developments in the community, even before they are fully realized.

Side note: As I told Bruce, I have been a longtime fan of the Conservatory, and you'll often find me at their [Cocktails at the Conservatory](#) events (would highly recommend anyone to check out).

Thank you all, and I will see you on Tuesday.
