Can't Miss Program

You don't want to miss our speaker for November 19 lunch at The Boat House - former Ohio State football player Jeff Logan!

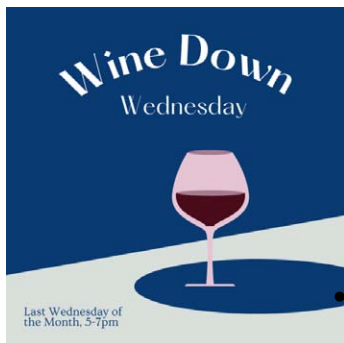

From the [National Football Foundation](#): "While playing for College Football Hall of Fame coach Woody Hayes from 1974-78, Logan became just the second Buckeye to rush for more than 1,200 yards in a single season. An All-Big Ten and Academic All-America selection, he led Ohio State to four conference titles and four New Year's Day bowl appearances. He was a teammate of NFF Board Member and College Football Hall of Famer Archie Griffin and 2016 Hall of Fame inductee Tom Cousineau during his career in Columbus."

Jeff later entered broadcasting and still serves as an analyst for high school games on the CW, makes Friday morning appearances on 99.7 The Blitz and joins 610 WTVN before and after Buckeyes games.

Come listen to his story at Columbus Rotary next week!

Wine Down Wednesday

Join us this upcoming week for our November Wine Down Wednesday - and bring a friend - one week early ahead of the Thanksgiving Holiday!

We enjoy this agenda-free social time to connect with our Rotarian friends and guests. We'd love for you to join!

- **Wednesday, November 20** from **5-7pm** at [Nocterra Audubon](#)
- See the full details and [RSVP with the link in the](#)

honored to gather for a special evening at Muirfield Village Golf Club! We celebrated our accomplishments, shared stories, and looked ahead to new goals. Thank you to everyone who joined us – your dedication to our club and community is truly inspiring!

Next Gen Leader Award

Columbus Rotary President was awarded the Next Gen Leader Award by the Conway Center for Family Business this week!

This award recognizes a next-generational leader who is making a measurable impact on the family business. At the award luncheon, where over 500 of Central Ohio's family business leaders gathered, Emily was recognized both for her work with her company and for her role in Columbus Rotary.

Congratulations, Emily!

Nominations for the Rotary Club Board

In accordance with the club bylaws, a nominating committee was convened to identify a slate of Rotarians to fill the three upcoming board positions starting in July of 2025. A slate of six members were identified, of which three were willing to undertake the duties required with serving on the club board as a director. Pursuant to the bylaws, directors must not be currently serving on the foundation board and must not have been a director on the board in the past three years.

The three members that were identified and accepted are **Bill Wahoff**, **Scott Whitlock**, and **Vince Holzhall**.

We will vote as a club to approve this slate at the Annual meeting in December. Absentee ballots will be sent the week prior and are due back 72

hours prior to the annual meeting. We will accept nominations from the floor at the time of the vote to approve the slate.
