Rotary Volunteers Help "Raise the Roof" with Habitat

President Lori was invited to say a few words on behalf of our Club at the ground blessing, which you can view [HERE](#). You can hear Jessica express her appreciation [HERE](#). Thank you, Robert Chatham for capturing those moments!

This is one of our biggest projects every year, which we support with funding and a matching District grant, in addition to volunteer help. This is an example of Rotary's power to help one individual, one family, at a time. If you would like to volunteer for our next Habitat build, please contact me or Larry Sloan.

Rotary / Brightside Cleanup Service Project

By Michelle Black White

During Mayor Greenberg's State of the City address to Rotary on January 30th, he mentioned the new partnership between Rotary and Brightside to help make Louisville cleaner and safer. The goal of the partnership is to have at least 25 Rotarians serve as a Team Lead to create a cleanup event around their business or in an area with a litter problem.

Brightside will provide trash bags and gloves for your cleanup event and coordinate pickup of the filled bags after your event with the Clean Collaborative. While Brightside's Community Wide Cleanup day is scheduled on Saturday, April 19th, you are welcome to hold your cleanup event any time during the month of April.

How do you get involved?

1. Register at <https://louisvilleky.gov/government/brightside/brightside-wm-community-wide-cleanup>
2. Determine your cleanup area or ask Brightside to help you find an area of need
3. Recruit your coworkers, friends, and/or family members to help volunteer
4. On the day of your cleanup, remember to take a group photo so we can share and celebrate on social media

Please let me know if you have any questions: michelle@brightsidefoundation.com

Committees: 2025-2026 Service Project Funding

By Susan Zepeda

To request support for your Committee's projects for the 2025-2026 Rotary fiscal year, you will need to submit an online application by **May 30, 2025**.

Note that final reports for 2024-2025 Club projects are due when the project is completed, no later than May 30. Requests to carry over funds for projects that are not yet completed must also be submitted online and are due on May 30. If a District or Rotary Foundation final report is required, this can be submitted to the Service Projects & Grants Committee in lieu of our Club's online form. Committees that do not file the required final reports will not be eligible for funds in the coming year.

If you missed the Zoom training, or just need a refresher, you can view the online videos on how to apply for Rotary Fund grants, District Grants and Rotary Foundation Global Grants.
