Note from Delene | In This Issue

Rotary Family,

I was going through some old photos on my phone and found this picture. This was January 30, 2020, and you can't see it well, but that's me up on the screen being welcomed as a new Club member, just below Board member Louis Seeger, who also joined in January! Six weeks later, the world changed forever. But here I am, and so honored to be part of the Rotary family.

President Lori and I are off to visit the [Birmingham, Alabama Rotary Club](#) - the largest U.S. club with 600+ members - at the invitation of their President, Bruce Rogers. We'll be back for our meeting on Thursday with some fresh ideas and insights!

I'm excited about welcoming young leaders to our meeting this week and can I just say WOW! You all are amazing. The student table/meal sponsorships have been rolling in, and we have not only covered the meals for this week, but you have made it possible to extend future invitations to area high schools to experience and learn about Rotary.

September 19th Meeting Recap

The September 19th meeting at the University Club featured [Rear Admiral Ingrid Rader](#), U.S. Navy. We kicked off the meeting with [Anchors Aweigh](#). **Mary Ellen Harned** provided the invocation and **Lisa Schardein** led the pledge and 4-way test.

We had a brief presentation from visiting Rotarian **Jeff Molby** from Caro, Michigan. Last October, he sold everything and set off on a two-year bike tour around the country to help make sure people undergoing chemo treatments can get to their appointments. You can learn more here: [ChemoRiders: A Rotary Journey of Hope](#) or volunteer to help transport patients locally - contact Jeff at (248) 387-9876 or jeffrey.molby@gmail.com.

Navy veteran **Carlos Hernandez Ocampo** delivered the introduction.

It was a very special moment when we learned that RDML Rader's mother, **Hannelore Rader**, joined our Rotary Club in September 1997 and was a member until 2014...she even brought the original membership card!

You can read more in Di Tran's meeting recap [HERE](#).

You can view the recording on our [YouTube channel](#). Provide feedback about the meeting [HERE](#).

Rotary Volleyball Outing Helps Set Record Attendance

By Jeffrey A. Underhill

There was a record crowd and fantastic energy at the Yum! Center on Sunday to watch the Cardinals take on the Nebraska Cornhuskers. Unfortunately, we fell short of a win, but that didn't stop Rotarians from enjoying the outing. We didn't get a good group photo, but you might spot some people you recognize in the crowd if you zoom in.

Rotary Peace Corps Week Underway

Rotary Friendship Exchange: Rotary's Best Kept Secret

By Karen Morrison

Having just returned from my third Rotary Friendship Exchange (RFE), I am ready to shout from the rooftops that these are one of Rotary's best kept secrets.

Those of you who attended Rotary Day at the Downs last April may recall a group of ten British visitors from District 1200 (Somerset area of southwest England) joining us. Some of you may have had the pleasure of hosting them. Of the dozen or so hosts from District 6710, three Rotarians (and our spouses) headed across the pond for part two of the exchange: Thom Crimans (our District RFE Chair), Clinton Rotarian Karl Buss, and me. Two other Clinton Rotarians joined the group briefly but then set out on an independent coastal walking tour, staying with Rotarians at the beginning and end of their week-long trek.

Twelve days, four different club sites: Chippenham, Radstock/Norton, Yeovil, and Taunton. In addition to attending two club meetings and participating in two impressive service projects, we visited more than 40 cities/towns/villages...

New Rotaract Club Forming

By Linda Bartrom-Moore

We had a fantastic kick-off meeting at the University of Louisville for our Rotaract Club.

Props to Dr. Raymond Green, Renecia Davis, Rick Harned, and Aaron McGahee for their enthusiasm and great representation of our club to these university students. The foundation of a board is already forming and the next meeting is already scheduled.

If you are interested in being involved with this group, let me know.

Imagination Library Volunteer Opportunity

By Rick Harned

Our Youth & Education Committee has already helped the [Imagination Library Louisville](#) recruit multiple new families to receive free books! Participants have reported that the task is really easy and fun, as talking with parents of very young children is inspiring.

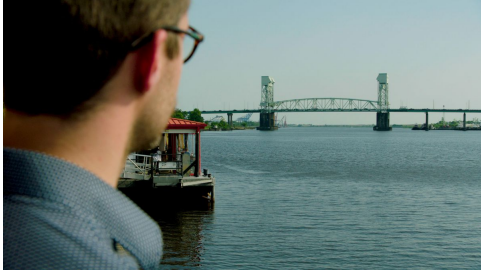

We have three more dates scheduled, for which two Rotarians are requested to join Imagination Library Director, Maria Gurren, to talk to young parents who may not know they are eligible:

- **Friday, 10/18: 4:00 - 7:00 p.m.** at Shelby Park, 600 E Oak St. (Pumpkin Patch)
- **Thursday, 10/24: 6:30 - 8:00 p.m.** at Cane Run Elementary School, 3951 Cane Run Road (Literacy Night)
- **Saturday, 11/16, 10:00 a.m. - 1:00 p.m.** at 3rd Street Neighborhood (Building our Block event with Councilwoman Jennifer Chappell)

Many of you saw Dolly Parton celebrating the [statewide rollout](#) of Imagination Library recently. If you can spare a couple of hours to enhance literacy in Louisville, please email rickharned@gmail.com.

GenX: The Saga of Forever Chemicals Film Screening & Discussion w/UNA-USA

By Larry Sloan

Join us for an important event presented by our club along with the United Nations Association of the USA, Kentucky Division, UofL, Kentucky Waterways Alliance and more. It will be on Monday, October 28th from 7:00 - 9:00 p.m. at Lang House, 115 S. Ewing Avenue. Snacks and refreshments will be provided. Seating is limited; let me know if you would like to attend: larry.sloan@yahoo.com.

There will be a private screening of the documentary film [GenX: The Saga of Forever Chemicals](#), a first-hand account of a community faced with decades of contamination and how their unification with other communities is systematically fixing the worst pollution crisis in world history. There will be a presentation by film director and producer Elijah Yetter-Bowman, who is also the founder of Ethereal Films as well as an Affiliate Researcher at UNC School of Public Health. Actor Mark Ruffalo is the Executive Producer of the film.
