## Be Part of The Magic of Rotary!

By Lori Hudson Flanery

I have been sharing "teasers" at recent meetings about our fall engagement campaign - I am thrilled to now officially announce the launch of the MAGIC ALL AROUND campaign, which will run from October 1 through March 31.

Certain activities are worth points - which equate to "entries" for prize drawings. The more "entries" you have, the better your chances of having your name drawn, but even ONE point will earn you a chance.

Not only will there be monthly drawings for prizes, but the GRAND PRIZE will be a trip to Calgary, Canada for the [Rotary International Convention](#) in June 2025 - the theme of which is MAGIC ALL AROUND!

We'll cover your expenses (*guidelines apply*) for registration, transportation to/from Calgary and lodging at the beautiful [Royal Hotel Calgary](#). The trip winner will be

announced in April and must be a current active member in good standing and able to travel June 21-25.

It could not be easier to be eligible: simply complete and submit a **monthly activity report** by the 10th of the following month (*for example, Nov. 10 is the due date for the October activity report*) to [admin@louisvillerotary.org](mailto:admin@louisvillerotary.org). You can also turn in a physical copy to Tracy or Delene if preferred at the first Thursday Rotary meeting each month. See an example of what a completed report looks like [HERE](#).

The first monthly prize drawing will be at our meeting on Nov. 14 and will be a [Kentuckianaopoly game](#) (*need not be present to win*).

If you have any questions, Delene or I will be happy to help.

I hope EVERY member will be part of the MAGIC![Read More](#)

## Hurricane Helene Disaster Relief

Hurricane Helene caused widespread devastation in Florida, Georgia, and the Carolinas, leaving countless families in need of urgent assistance. Rotary Zones 33-34 include most of the areas impacted. Rotary clubs can play a crucial role by leveraging their extensive network and resources, and mobilizing quickly to provide humanitarian aid, including food, clean water, and medical supplies. Rotary members can volunteer their skills for rebuilding efforts, to help coordinate disaster response activities, and to support long-term recovery projects. However, during the initial phase of any disaster recovery, the most important way to assist is through cash donations. If you wish to contribute, please click [HERE](#).
