## October 10th Meeting Recap

The October 10th meeting at the University Club featured Nick Campisano, Founder & CEO of Zyyo. We were also honored to have our District Governor Dale Leatherman with us for his official Club visit, as well as District Governor-Elect Dorsey Ridley. **Kirt Jacobs** provided the invocation and **Joyce Seymour** led the pledge and 4-way test. Assistant District Governor **Rick Harned** introduced DG Dale.

You can view the recording on our [YouTube channel](#) (apologies for the distorted sound - there was apparently an issue with the setup by the AV tech). You can view the slides [HERE](#). Provide feedback about the meeting [HERE](#).

## District Governor Recognizes RCL as STAR CLUB

At last week's meeting, District Governor Dale Leatherman presented President Lori with a star in recognition of our STAR CLUB status, which means that our contributions to The Rotary Foundation have averaged \$100 or more per member. This is a requirement in order to be eligible to receive District Matching Grants for our service projects such as Habitat for Humanity and the West End School. Thank you to everyone who donated this past Rotary year!

## Enter To Win This Beautiful Gift Basket!

By Amy Luttrell

Next Thursday, October 24 is **World Polio Day**. We have made tremendous progress since the Global Polio Eradication Initiative was launched. But even just one case still represents one child's life forever changed by polio. That's why Rotary members must remain tenacious and keep our promise: We won't stop until we know that no child will ever again experience the paralyzing effects of polio.

To donate, click [HERE](#). Donations will count toward Paul Harris Fellow points.

We will have a drawing at next week's meeting for this amazing gift basket donated by **Susan Zepeda**. All you have to do to be included is make a donation before 10:00 a.m. next Thursday, 10/24.

## Winter Accessories Needed

By Mary Ellen Harned

The weather is turning colder and we want the Haj Yasin family of 8 from Syria that we are co-sponsoring to be prepared. Kentucky Refugee Ministries will provide winter coats, and we would like to provide them with hats (just for the boys), scarves, gloves and heavy socks. You can also donate cash or Walmart gift cards. We will collect these items at the October meetings. Any surplus beyond this family's needs will be shared with other refugees.

Please click [Read More](#) below for more of their story and photos.

## Please Support Our INTERACT Blood Drive: October 31

By Linda Bartrom-Moore

Our Club is proud to sponsor the Interact Clubs at Iroquois and Western HS, and to guide these young scholars in Service Above Self.

This is our 3rd year hosting blood drives, and we got off to a great start this week at the first one! Our Interact Club members both gave blood and manned the check-in table.

We reached our quota while creating a way to serve that can become a lifelong habit in a world where the need for blood is crucial.

Next up is our blood drive at Iroquois HS on...wait for it... October 31st! So much you can do with that, right??

Thanks for your support, and if you're able, come out to 4615 Taylor Blvd between 9:00 a.m. - 2:00 p.m. and help with a shift or by giving blood (click [HERE](#) to sign up).

## Imagination Library Volunteer Opportunity

Our Youth & Education Committee has already helped the [Imagination Library Louisville](#) recruit multiple new families to receive free books! Participants have reported that the task is really easy and fun, as talking with parents of very young children is inspiring.

- **Friday, 10/18: 4:00 - 7:00 p.m.** at Shelby Park Pumpkin Patch, 600 E Oak St.
- **Saturday, 10/19: 10:00 a.m. - 12:00 p.m.** at Southwest YMCA Fall Festival, 2800 Fordhaven Rd

## New Member Service Project at SOS: October 23

By Jay Mallory

Our next new member service project at SOS will be Wednesday, October 23rd from 5:30-7:30pm. For those of you that have attended, feel free to come back. For those of you that have not made it, I hope

you are able to, as this is a fantastic opportunity to give back and meet some of your fellow Rotarians. Come ready to have some fun, pack medical supplies, and you might even shed a tear when you learn about how this fantastic organization is changing people's lives.

## Thank You, Rotary Club!

Together we are creating a world of Health & Hope

Hello Delena,

The team at SOS wants to thank you for taking the time to volunteer at our headquarters. Your group helped SOS so that we can now help send life changing and life saving supplies worldwide. Thank you so much for all the help you provided.

You helped us saved 2,400 bottle nipples and 2,000 mesh briefs and prepare them to be packed on our next 2 OB-GYN pallets on that will go on to impact over 1,000 lives. These supplies would have gone on to the landfill, but instead you have them a second life and the power to go on and save a life.

The next 2 containers that will receive OB-GYN containers are our Zambia container and our Benin container. We have also very recently sent supplies to Senegal that is currently on its way!

We look forward to having you again to volunteer and we hope to stay connected with each of you.

Please know that the time you gave is truly changing and saving lives.

Sincerely,

Sarah Mayer  
Volunteer Manager
