August is Membership and Extension Month

August is Membership and New Club Development Month, when Rotary Clubs around the world focus on membership in Rotary. Rotary leaders say that membership growth is essential for Rotary's survival, and some suggest that clubs can thrive by seeking new members, retaining current members, and sponsoring new clubs.

Some ideas for celebrating Membership and Extension Month include:

- Inviting friends and business associates
- Sharing on social media - Use the hashtag #WeAreRotary to post photos of club members at work in the community or abroad.
- Changing your profile - Use the "I'm a Proud Member," "I'm a Proud Rotaractor," or "I am a Proud Interactor" graphic on Twitter and Facebook
- Sharing successful strategies - Exchange ideas about membership strategies that have worked well in your community
