Our guest speakers were **Beverly Trainor, Beth Arro-Brown and Tate Simpson** with Map International. Map International provides medicines and health supplies to those in need around the world so they might experience life to the fullest. The organization is a 69-year-old non-profit, which in 2022 provided over 700 million medicines in 79 countries. Locally, they provide medicines to free charitable clinics for major chronic diseases (hypertension, asthma, diabetes, cholesterol). They support 62 clinics over 7 states. The Druid Park Community Health Clinic is the only CSRA no cost clinic. **Tate Simpson** challenged the **Club** to donate time (hands & feet) to local free clinics.

**Bill** led us in reciting the four-way test and then adjourned the meeting.
