Guest: A story of inspiration and courage

September 17th Meeting

We have a very special - and fascinating - program this week! Local resident and Nurse, Fahima Rastagar, at the age of just 28, has a story of incredible inspiration and courage. She is truly an American 'heroine' and has served our country by assisting our military men and women in a most unique way, at significant risk to her own safety. She also has a special connection to Rotary.

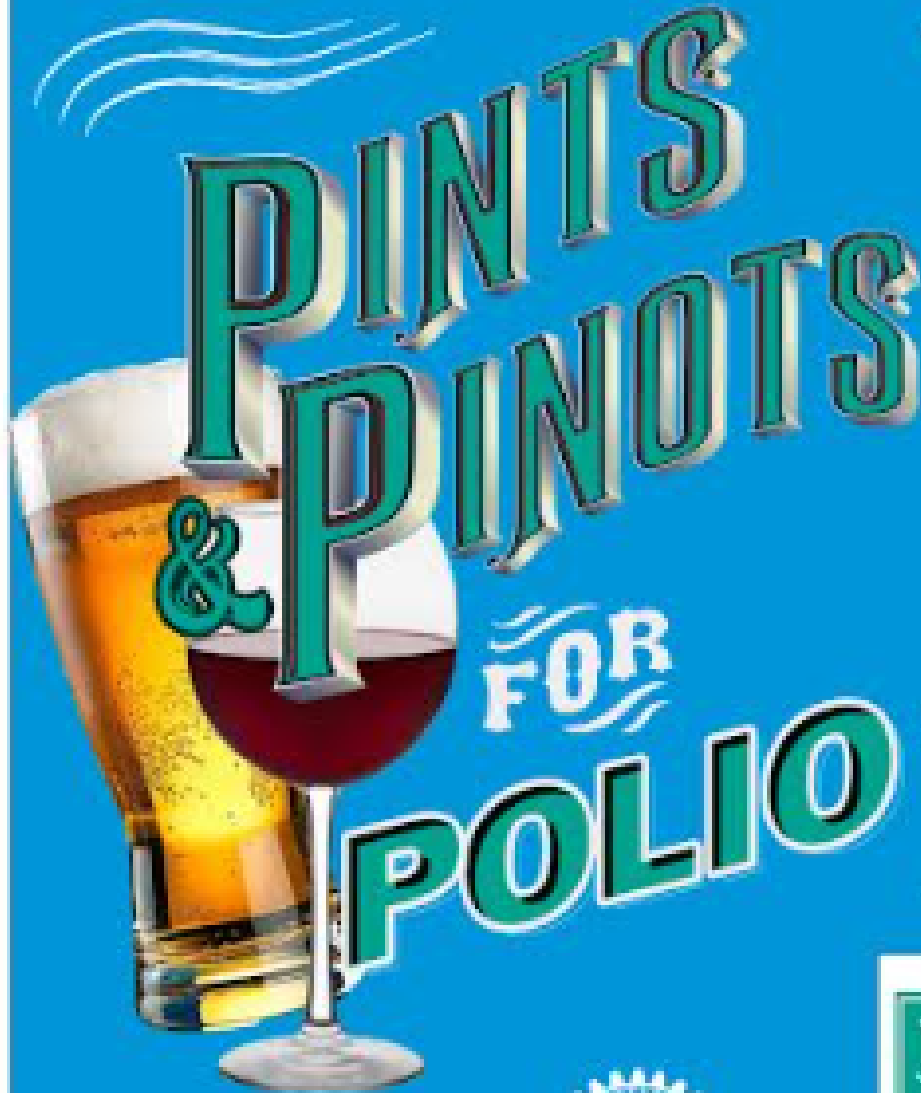

Everyone should plan to attend - and bring a guest! This is a program not to miss!

Upcoming Meetings:

9/24 Brad Brown: A tribute to his Grandfather by a village in France.

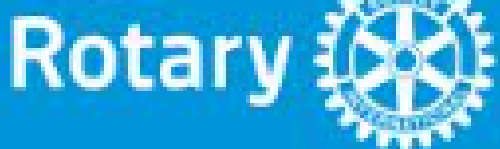

October is Economic and Community Development Month
