## Challenge Air - More Volunteers

By Evelyn Ciocco on Sunday, January 26, 2025

### **Volunteers, Volunteers, Volunteers!**

There were so many that it was impossible to acknowledge them all, but here are two from Florida Power and Light. This is the first time for Justin and Xavier.

Six people came from FPL and all thought the experience was awesome.

Xavier commented that this experience has enriched his life. Justin agreed and said words like "Wonderful," "Exciting," and "Awesome!"

Thanks to all six volunteers from FPL.

We're glad you came.

These six young people are part of Rotaract of Nova Southeastern University.

They have volunteered their time and energy to volunteer at our Challenge Air on January 25.

Two of these students are exchange students from France, and they happily participated.

All the girls added positive energy to the day.

Anni and Friends

## Have a Heart - Hygiene Products Collection Drive

### Have A Heart Campaign – Hygiene Products Collection Drive

Any given day there are hundreds of our neighbors who experience extreme poverty and homelessness. The Rotary Club of Fort Lauderdale, in collaboration with the City of Fort Lauderdale and other local partners, is collecting hygiene items to support Fort Lauderdale non-profits who provide critical services to our homeless community all year long. Your generous donation will be used to prepare care packages that will be delivered around Valentine's Day and provide the minimum necessities for a dignified, safe, and healthy life.

Here are four ways you, your business or your organization can make a difference:

1. Drop off your donation at the Neighbor Support Office, 101 NE 3 Ave., 21<sup>st</sup> floor, Fort Lauderdale. We also can arrange for a pick-up from your home or office.
2. Start your own personal collection drive for select new or gently used items.
3. Create your own [Amazon Wishlist](#) and purchase essential items.
4. Host a collection drop-off location at your office.

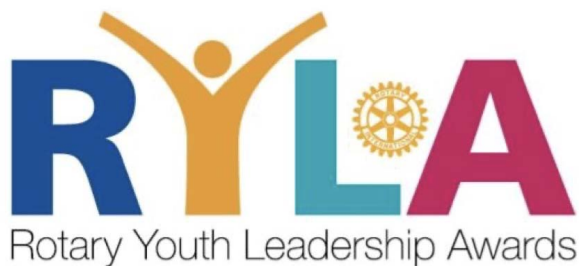

For more information and other drop-off options, contact Jorg Hruschka at [Jhruschka@fortlauderdale.gov](mailto:Jhruschka@fortlauderdale.gov).

## District 6990 Annual Fundraiser

**Our Rotary District 6990 Annual Fundraiser is Under Way!**

*Due to overwhelming interest from our Rotary family and friends, and to give everyone a chance to purchase their tickets, we've decided to postpone the event to **February***

**7th, 2025.**

*This new date aligns perfectly with a very special occasion—the visit of Rotary International President Stephanie Urchick! We couldn't think of a better time to drop the balls and celebrate this fun and impactful project with our extended Rotary community.*

It is that time of year once more when we come together to honor Chris Morrison for his tremendous support of the Rotary Foundation and to continue on the path he began!

As always, our district is excited to host an event in memory of Chris Morrison, aimed at raising vital funds for this important cause.

This is a fantastic opportunity for anyone who wants to contribute and qualify for the Paul Harris Fellow recognition—whether through buying tickets or selling them to friends and family. Those who reach the PHF or the next level will be celebrated before our Paul Harris night!

You can get your physical tickets at our meetings, or you can easily purchase them online at the following website:

[www.rotary6990gbd.org](http://www.rotary6990gbd.org)

We have some incredible prizes lined up, so don't miss out. The closest balls will receive the following winning gifts:

- 2-night stay at Bay Harbor & Coconut Bay Resort, Key Largo
- \$1,200 Voucher for Virgin Cruise
- \$600 Gift Certificate from Carroll Jewelers
- 3-night stay for two guests at Di Sabatino Resort in Renaissance City of Ascoli Piceno (Italy)
- Brunch for two at the Biltmore Hotel, Coral Gable

Can you imagine how many good things we can do in the world with such a donation and how much we can accomplish within our own communities through the DDF? For every four tickets sold, your \$100 donation can, for instance, help provide new water filters capable of purifying over 200,000 gallons of clean, safe drinking water by removing 99.9999% of diseases from contaminated water.

We are counting on you. Our goal is for each member to buy - or sell - 4 tickets, which would make our Rotary Club a "Sustaining Club."

Thank you for your support and your commitment to the Rotary mission.

**Vocational Service Month**

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

Those objectives are:

- To encourage and foster high ethical standards in business and professions, to recognise the worthiness of all useful occupations, to dignify the Rotarian's occupation as an opportunity to serve society.
- To apply the ideal of service in personal, business and community life.
- To advance international understanding and goodwill, and peace through a world fellowship of businessmen and professional men and women united in the ideal of service.

Paul Harris wrote: "Each Rotarian is a connecting link between the idealism of Rotary and their trade or profession".

Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service to the pursuit of all vocations.

It is the shared responsibility of both the Rotary Club and its members.
