Club of Gainesville-Haymarket

A Word from President Rich

I hope your summer is going great so far! I just wanted to touch base about our upcoming Flags for Heroes event.

I'm thrilled to share that we've already landed a sizable \$5,000 sponsorship from QTS. With no golf event this year, Flags for Heroes will be our only major fundraiser, so I'm really hoping we can make this the best year yet.

Rather than asking for golf foursome fees, auction donations, or other contributions, I'd love for you to consider **designating a flag to honor a hero in your life** - whether that's a military service member, first responder, educator, or anyone else who has made a difference. The attached flyer has all the details.

I'm really looking forward to this year's event, especially since it will be just after the 9/11 anniversary and during the Solheim Cup, when we'll have so many visitors coming to our community. I know our beautiful flag display at Haymarket Park will make us all proud.

Please let me know if you have any other questions! I'm happy to provide any additional information.

Thanks,
President Rich
