2) PROJECT NAME: "HEALTHY CHILD VISION"

3) PROJECT OBJECTIVE: To carry out a study of visual acuity for 400 children of Primary Education, total of the IAP school population "CASA A FAVOR DEL NIÑO" and Public Primary School "MAESTROS MEXICANOS", both located in the Magdalena Contreras mayor's office and to give glasses to minors who require it (approximately 100 glasses).

4) PROJECT DESCRIPTION:

a) With the support of the School of Optometry of the IPN CICS Unit Santo Tomás, the aforementioned study is carried out on the total student population in both institutions. The IPN is one of the two most important public institutions, together with UNAM, of higher education at the national level, for more information: [www.ipn.mx](http://www.ipn.mx)

b) Students are given talks about eye care and prevention of eye and ophthalmological damage also with the support of the IPN school.

c) Preparation of the glasses by the IPN School of Optometry.

d) Delivery to students who have requested it.

5) DOES NOT REQUIRE

6) BENEFICIARIES:

Approximately a total of 400 children between both schools, from 1st to 6th grades will benefit with the visual acuity test, as well as, with the talks of vision health care. Approximately 100 of these children will receive the glasses they require.

IAP "CASA A FAVOR DEL NIÑO", this institution attends children of working mothers, mainly domestic workers, from 8:00 a.m. to 5:00 p.m., so financially it is very difficult for them to obtain the studies and glasses they will receive.

"MEXICAN TEACHERS ELEMENTARY SCHOOL", it is a public primary school, in which parents are of limited resources to solve the studies and glasses, this project is also a big help for them.

7) LOCATION OF THE PROJECT:

They will be carried out on sites, at the following addresses:

"CASA A FAVOR DEL NIÑO"

AV. SAN JERÓNIMO 860 COL. SAN JERÓNIMO LÍDICE, ALCALDÍA MAGDALENA CONTRERAS,  
CDMX 10200

"MEXICAN TEACHERS ELEMENTARY SCHOOL"

TOLUCA STREET NO. 2 COL. STA TERESA, ALCALDÍA MAGDALENA CONTRERAS, CDMX 10710

8) AREA OF INTEREST:

A) HEALTH, PREVENTION AND TREATMENT

B) LITERATURE AND BASIC EDUCATION
