2) NAME OF THE PROJECT

"Chess in your School"

3) OBJECTIVES OF THE PROJECT

Implement chess clubs in public schools where children can use this sport as a pedagogical tool to improve their memory, attention, decision making, mathematical logic, concentration and other virtues that are provided with the practice of chess.

4) DESCRIPTION OF THE PROJECT, SHORT AND LONG-TERM BREAK DOWN

Short term (1-6 months):

- Sign the collaboration agreement with the schools that have agreed to have these workshops
- Provide 5 school public schools in the State of Hidalgo with chess material
- The equipment per school is 20 chess sets, 1 demonstration chess set and 3 chess clocks.
- Begin with the opening of workshops, giving lectures to parents on the benefits of studying chess in children

Medium Term (6-12 months)

- Perform an evaluation of chess knowledge results
- Evaluate the academic performance of the children who joined the workshops
- Hold chess tournaments where they involve the population

Long Term (12-60 months)

- Periodically see the progress of students who have entered the workshop
- Invite more children to join these activities
- Hold an annual tournament in each of the clubs created
- Verify through quarterly reports the progress of each of the clubs

5) EXPLANATION OF THE PROJECT'S SUSTAINABILITY (AS APPLICABLE)

Chess clubs will be held in schools where teachers who have already voluntarily practiced this sport, and have taken courses in the same sport, will donate extra time and from their classes to carry out the clubs without charging any extra compensation. However, it is necessary to provide them with enough and adequate material to fulfill their finance.

The Clubs will be implemented in their work centers and it is not necessary to buy extra furniture or space since the schools will provide it.

6) DIRECT AND INDIRECT BENEFICIARIES BREAKING DOWN ITS VULNERABLE SITUATION, ATTACHING IMAGES.

The students where these workshops will be located are public schools, which lack activities of this nature, impacting the project on all children who have the interest of learning and practicing chess.

In total these schools house the amount of 1830 students in primary and secondary level, they will have the opportunity, those who so decide, to enter these clubs.

Each club can attend up to 40 students per session for one hour.
