

GLOBAL GRANT 2459119

Angel Project II - Cerebral Palsy

Bellavista Atizapán D4170 – Mexico Host Club
North Platte Sunrise NE D5630 – International Sponsor
July 1, 2024

Community Needs

At the end of our first global grant from the Angel Project I we confirmed that there is a large population of children with cerebral palsy problems in the municipalities of Atizapán and Tlalnepantla and with the global grant we had an extraordinary result that changed the lives of a large number of people

Global Grants - Area of Focus

Disease prevention and treatment

1. Training of 6 therapists (employees of the DIF “National System for the comprehensive development of the Family”)
2. Rehabilitation of 14 children with neurological problems
3. Therapy will be given for 2 months to 2 children so that in a period of 14 months 14 children have been rehabilitated
4. The therapies will be intensive and multidisciplinary from 8:00 am to 2:00 pm, 6 therapies daily from monday to friday
5. At the end of therapy the purpose is for each child to be independent

Sustainability

- a) The family of 14 children, which is approximately 154 people, will have the opportunity to develop in their personal lives
- b) Currently all his attention is on caring for the child since they do not have the skills to do it himself.
- c) Collaborating organizations The Dif Atizapán and DIF Tlalnepantla propose the children who will be candidates to be selected according to the profile indicated by the Todo por Emi Foundation, which is the one who carries out the selection exam to determine who are the appropriate candidates for the therapy to be made the most of.
- d) The therapies will be carried out at the facilities of the Todo por Emi foundation and will take advantage of the equipment from the first three global grants.
- e) At the end of the grant the goal is to change the lives of 14 children and **the training and professional development of DIF therapists**
- f) The commitment of our collaborating organizations is to continue with rehabilitations that can be offered to children in the DIF Atizapán and DIF Tlalnepantla as well as a review by the Todo por Emi Foundation 6 month after having concluded the intensive program
