Rotary

Zamora Industrial D4140 – Mexico Host Club

District 6820 MS – International Sponsor

August 4, 2024

- THE ROTARY CLUB ZAMORA INDUSTRIAL was born in May 1986, during this almost 35 years the Club has been characterized for its support to the community according to the values of Rotary. During this period we have sent and recieved people from the Rotary Exchanges to many parts of the world.

AUTISM AND LANGUAGE CENTER

- They are a non-profit Autism Center and they have internationally accredited personnel to diagnose and comprehensively care for children and young people in different areas.
- We currently provide care to 168 active patients with a diagnosis of autism from different communities in the estate.

we have the following areas of attention:

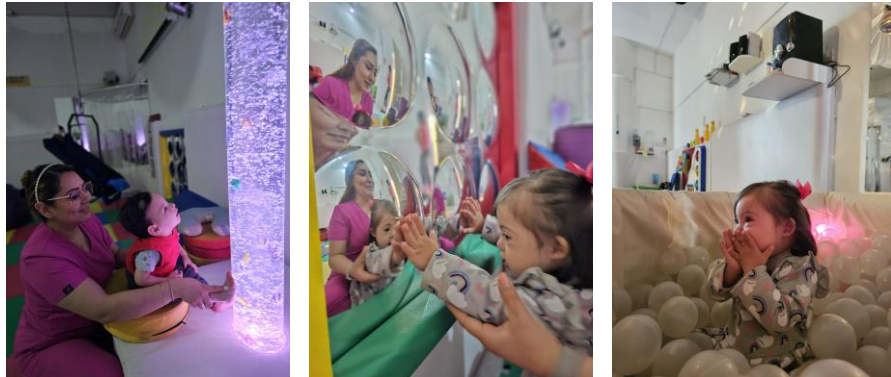

- INDIVIDUAL THERAPY
- SENSORY THERAPY
- GYM
- PHYSICAL AND OCCUPATIONAL THERAPY
- LANGUAGE THERAPY
- PSYCHOLOGICAL THERAPY
- GROUP THERAPY
- NUTRITION

Objectives

- This Project will increase the time of therapy of each patient and could increase the number of patients at the same time working with two patients together. Also would be able to open a new shift .
- To regulate the sensory responses of the patients within the autism spectrum, to calm and reduce sensory crises.
- To help they can tolerate and accept diverse activities of selfcare like: haircut, tooth brushing, nail cut, shower, etc.
- Improve the nutrition of the patients, ensuring they can tolerate more and more textures, flavors, incorporating new food to their diet.
- Increase the periods of visual and auditory attention of the patients, achieving greater and more meaningful learning.
