Dear Heart of America Rotary Leaders:

We are well into the 2016-17 year of Rotary Serving Humanity. As we travel through the Heart of America, read district newsletters, and talk with Rotarians I am always struck by the many ways in which Rotarians serve humanity.

Disasters such as the flooding last summer in Louisiana and now the aftermath of Hurricane Matthew show us once again that Rotarians always rise quickly to the challenge of cleaning up. But even more important is the “staying power” of Rotarians. They are in it for the long term because the rebuilding process often takes years.

Generous donations from around the world, Rotary Foundation District and Global Grants, and club fund raising will provide for the recovery and rebuilding effort.

Thank you Heart of America Rotarians.

(Continued on the following page)
We have had a busy summer and fall attending three of the four regional Heart of America Leadership Seminars, participating in several meetings in Evanston, including nearly two weeks of TRF Trustee and RI Board meetings.

We also experienced wonderful Rotarian hospitality in Arkansas during our visit to Districts 6150 and 6170. Thank you to DG Darlene Andrews and DG Allen Morgan for your hospitality and showcasing the Rotary clubs in Jonesboro, Little Rock and Hot Springs.

This edition of *The Heartbeat* features Rotary and Rotary Foundation individual awards and achievements for 2015-16. Congratulations to the recipients of these prestigious awards. You epitomize the positive impact an individual can have on humanity through Rotary service.

The next edition will feature Rotary Foundation and Membership achievements for 2015-16. As you read this, our Rotary Institute in Cincinnati will be getting underway and many districts and district governors will be receiving recognition for these achievements.

The results for Rotary Foundation giving in 2015-16 were outstanding and I thank the Rotarians in the Heart of America for their generosity. The more money Rotarians contribute to the Annual Fund means more funding is available for District and Global Grants to serve humanity.

I look forward to seeing many of you next week as we “Celebrate Rotary Cincinnati Style.” The celebration will focus on the Centennial of our Rotary Foundation, the achievements in polio eradication and Rotary’s role in peace building.

Summary and minutes of recent Rotary International Board Decisions
Summary and minutes of recent Rotary Foundation Trustee Decisions
Jerry Venters, retired Federal Bankruptcy Judge and Past District 6040 Governor, is the Heart of America Rotary Leadership Institute (RLI) President for the 2016-17 and 2017-18 Rotary years.

This Service Above Self awardee was instrumental in developing RLI in his own District. He has served as the Coordinator since its inception in 2014.

Jerry noted: “I wanted to start an RLI program when I was District Governor in 2005-06, but I just didn't have time to get it done. Then, when Cassy was getting ready to be DG in 2014-15, she asked me if I wanted to give it a shot, and I jumped at the chance. It's been a lot of hard work but a very rewarding experience."

He is proud of the development of RLI in D 6040, stating, “We have been very successful, I believe. In the first two years, we have held six Saturday RLI sessions and we have graduated 22 Rotarians, and we presently have almost 40 people ready to move into Parts II and III this year, so I'm looking for a bumper crop of graduates in our three sessions this year.”

He will also continue as the Regional Coordinator for the Missouri districts -- 6040, 6060, and 6080.

Jerry and Cassy are members of the Plaza Rotary Club, are multiple Paul Harris Fellows, Major Donors and members of the Paul Harris Society.

Jerry concluded, "I'm disappointed that all of our districts in Zones 30-31 aren’t participating in RLI. It's a great way to develop club -- and eventually district -- leaders, and build camaraderie among the clubs. An overlooked benefit is that the dozen or so trained RLI facilitators become stronger and more dedicated leaders in the district."

The Rotary Foundation has received the highest possible score from Charity Navigator, an independent evaluator of charities in the U.S.

In the most recent ratings, released on 1 September, The Rotary Foundation earned the maximum 100 points for both financial health and accountability and transparency.

The ratings reflect how efficiently Charity Navigator believes the Foundation will use donations, how well it has sustained programs and services, and its level of commitment to good governance and openness.

In the previous rating, the Foundation had received 97 points.

AWARDS AND RECOGNITIONS 2015-16

By Rotary International Director Karen Wentz:

Rotary International and The Rotary Foundation recognize clubs and individuals for outstanding service and achievements. On behalf of the Rotarians in the Heart of America we are pleased to announce the following honors and congratulate the recipients on their commitment to Rotary ideals, values and goals.

I was a member of the Service Above Self Award committee and the Spouse-Partner Award committee and read all nominations for those awards. I was overwhelmed by the incredible and selfless service the nominees were engaged in. They had a tremendous impact on their communities and all were truly gifts to the world.

The 2016-17 Nominating Committee for President of Rotary International has unanimously nominated Samuel Frobisher Owori, of the Rotary Club of Kampala, Uganda, to be the president of Rotary International in 2018-19. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

Owori says he sees in Rotary "an incredible passion to make a difference." As president, he plans to "harness that enthusiasm and pride so that every project becomes the engine of peace and prosperity."

Owori's chief concerns as a Rotary leader are membership and extension. Since he served as district governor, the number of clubs in Uganda has swelled from nine to 89. He urges past, present, and future leaders to work together to engage more women, youth program participants, alumni, and community members to increase Rotary's membership in the coming years.

"There are many places which need Rotary and numerous potential members who have never been invited," he says. "The problem is Rotarians who got in and closed the doors."

Owori is chief executive officer of the Institute of Corporate Governance of Uganda. Before that, he was executive director of the African Development Bank, managing director of Uganda Commercial Bank Ltd., and director of Uganda Development Bank. He has studied law, employment relations, business management, corporate resources management, microfinance, and marketing at institutions in England, Japan, Switzerland, Tanzania, and the United States, including Harvard Business School.

Since becoming a member in 1978, Owori has served Rotary as regional Rotary Foundation coordinator, regional RI membership coordinator, RI Representative to the United Nations Environment Program and UN-Habitat, and RI director. He has been a member or chair of several committees, including the International PolioPlus Committee, the Drug Abuse Prevention Task Force, and the Audit Committee. Most recently, Owori served as trustee of The Rotary Foundation, chair of The Rotary Foundation's Finance Committee, and a member of the Investment Committee. Owori is a Benefactor of The Rotary Foundation, and he and his wife, Norah, are Major Donors and Paul Harris Fellows.

The Nominating Committee members are Sudarshan Agarwal, Rotary Club of Delhi, Delhi, India; Şafak Alpay, Rotary Club of Istanbul-Sisli, Turkey; Ronald L. Beaubien, Rotary Club of Coronado, California, USA; John B. Boag, Rotary E-Club of District 9650, New South Wales, Australia; Elio Cerini, Rotary Club of Milano Duomo, Italy; Luiz Coelho de Oliveira, Rotary Club of Limeira-Leste, São Paulo, Brazil; Frank N. CATASTROPHIC FLOODING IMPACTS LOUISIANA

The Rotary District 6840 Foundation is providing a channel for assistance:

The weather events of the past week are stark reminders that Mother Nature can present challenges which test not only our stamina, but also our humanity. The need, both now and in the future, is great. Rotarians have been mobilizing through various activities to assist those impacted by the recent flood waters in Louisiana.

District Governor Randy Feldman announced that check donations for disaster relief for the recent flooding can be made to the Rotary District 6840 Foundation, c/o Alford & Alford, 384 Voters Road, Suite 103, Slidell, LA 70461

The Foundation was established to assist the District in carrying out its mission to serve the clubs. The Foundation can accept donations as charitable contribution, tax deductible to the full extent of the law. The District cannot. So, this an appropriate role for the Foundation to carry out.

They are accepting proposals from all of the Rotary Clubs in their District.

Their Disaster Relief Committee is working to determine just what role the District should play on the service side, so that they are better prepared for future disaster-relief situations.

District 6200, PDG Rich Churchman reporting:

Our district has been receiving many messages concerning ways to assist those devastated by the flood waters here in Louisiana. The quickest way to help is by sending donations, yet we anticipate also being involved in the eventual long term rebuilding assistance.

Any credit card donation can be made by going to our District Website www.rotary6200.org and clicking on the "Donate" link at the bottom of the page or by directly clicking this link www.rotary6200.org/donate which is also located on the left hand column of our website. You will be brought to our private and secure Paypal site before you enter any financial information.

Donations in the form of checks can be made out to "The Rotary District 6200 Foundation" (marked as Disaster Relief) and sent to our District Office: Rotary District 6200, District Administrator Kat Crappel 2266 S. College Road Extension, Suite C, Lafayette, LA 70508 Rotary6200@lusfiber.net

All donations made through our 501c3 account named above will receive a receipt letter from our Foundation Chair PDG Mike Collins.

Reminder: Manual of Procedure Changes

Rotary International President John Germ sent a letter regarding the Manual of Procedure. Excerpts from that letter follow:

“As you may have started to hear, the Manual of Procedure (MOP) is changing. The 2016 MOP will no longer include the white pages and will instead primarily consist of Rotary’s governance documents, which are currently included as the yellow pages.

“The MOP white pages have served as a reference guide for Rotary policy by summarizing the requirements of the RI and TRF Codes of Policies and other governance documents into a narrative text. However, since the MOP is published only once every three years, the information quickly becomes out of date and is inconsistent with the RI and TRF Codes. Each time the RI Board or TRF Trustees take a decision to change the Codes, the change is not reflected in the MOP until the next publication.

“Please remind Rotarians that the MOP will not be going away. We understand that in certain parts of the world purchasing an MOP is strongly encouraged. Rotarians will continue to be able to purchase an MOP, albeit a slimmed down version. All Rotarians will also continue to be able to download a PDF of the MOP for free from the RI website.

“The MOP will continue to serve as Rotary’s governance document publication and will include the:
- Constitution of Rotary International
- Bylaws of Rotary International
- Standard Rotary Club Constitution
- Recommended Rotary Club Bylaws
- Bylaws of The Rotary Foundation of Rotary International, and
- Articles of Incorporation of The Rotary Foundation (partial)
- Guiding Principles chapter from the 2013 MOP
- Statements on Community Service

Additional information on the new MOP will be sent to club presidents and district governors by the end of July. I am also happy to answer any questions you might have on the changes to the 2016 MOP.”
