## Truths

As we move along in our lives, we should think about some of the truths we learned along the way. Some of these truths we learned the hard way in childhood, some truths we learned through adulthood and some we learned with years of experience. I think these truths should come with a sense of humor.

### TRUTHS WE LEARNED AS CHILDREN

1. No matter how hard you try, you can't baptize cats
2. When your Mom is mad at your Dad, don't let her comb your hair.
3. If your sibling hits you, don't hit back. They always catch the second person.
4. Never ask your 3 year old brother to hold a tomato.
5. You can't trust dogs to watch your food.
6. Don't sneeze when someone is cutting your hair.
7. Never hold a Dust Buster and a cat at the same time.
8. You can't hide broccoli in a glass of milk.
9. The best place to be, when you are sad, is in your Grandpa's lap.

### TRUTHS WE LEARNED AS ADULTS

1. Raising teenagers is like nailing Jell-O to a tree.
2. Wrinkles don't hurt.
3. Families are like fudge....mostly sweet, with a few nuts.
4. Middle age is when you choose your cereal for the fiber, not the toy.
5. Laughing is good exercise, like jogging on the inside.

### TRUTHS THAT COMES WITH EXPERIENCE

1. Growing old is mandatory, growing up is optional
2. Forget the health food. We need all the preservatives we can

get.

3. When we fall down, we wonder what else we can do while we're down there.

Finally;

You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster.

Let's get ready for another great year as we continue the outstanding volunteer work that Rotary provides for our fine community. Happy New Year!

I found these truths in an article about aging.
