## We Are Meeting At In The MPR At Pacific University Week!

January 10, 2018

**Jeff Duyck**

Just a quick update on Gail and how he is doing.

For those of you that don't know his bride of 67 years passed away on August 25th. Shortly thereafter we made several trips to the emergency room and it was determined that he had a double herniated bladder. After surgery and a week in the hospital things were still not improving like they should. Back to the hospital where it was determined he also had a spinal infection which was causing considerable pain. After several weeks of antibiotics and a stay at Marquis, he is home overlooking the farm. He is doing better every day and enjoys visitors. Just yesterday he said he walked the 100 yards to the mailbox and back! So if you have time he would love to share a story or two, probably between the hours of 9 to 5 is best.

I always like to educate people about the good things the Forest Grove Senior and Community Center is doing. I've been on the board for several years and seen many positive changes. We have numerous clubs and activities that meet there on a regular basis. Our first Friday dinner is a great time to relax and visit with your neighbors and get a excellent meal. bingo is also very popular event, 3 times a week. we have community gardens and a facility to rent for all kinds of events.

If you haven't visited, please stop in and check out the activities. we are always looking for volunteers also. And we are always looking for new board members with new ideas.
