## Forest Grove Rotarians: Making A Difference For 93 Years

My fellow Rotarians:

Thanks to your dedication and hard work, we have just finished a very successful Rotary year. I think we definitely "made a difference" in our Club, our community, and our world. Great achievements have occurred, with many more to come in future years!

To list a few:

Raised over \$40,000 from the 2017 Concours d'Elegance, which allowed us to make a difference on both our community partners and also for ten deserving high school students who received college scholarships.

Planted over 200 trees to make a difference in habitat protection and flood control.

Hosted the District Training Assembly, in which most members of our Club either volunteered for or attended, making a difference in the preparation for Rotary service for over 400 Rotarians.

Made a difference in the vitality of our Club by admitting 13 new members during the year.

Made a difference in disaster-affected areas by donating \$1,500 to ShelterBox.

Made a difference in the lives of 18 families at Christmas through the Hope for the Holidays program.

Achievements like these are certainly a team effort, and in addition to that I was very pleased to honor these Rotarians with special recognition for the 2017-2018 Rotary Year:

SERVICE ABOVE SELF AWARD: JULIA KOLLAR

In addition, the Four Way Test Committee honored Joe Post with the Four Way Test Award.

In closing, a good friend of mine and a Past President of our Club told me once that "President's know stuff". At the time, I got the impression that this person was telling me that Club Presidents were endowed with special powers that enabled them to know things that regular mortals don't. This, of course is not the case! But I have found that what Club Presidents do see are all of the extremely important tasks that must occur on a regular basis in order for our Club to be successful. The Rotarians that perform these tasks do so frequently without recognition of any kind, they do it out of love of Rotary and their fellow Rotarians. Seeing all of these activities come together is one of the true blessings of being President and shows that our Rotary club is much more than a place to have lunch with awesome people, it's a family.

Thanks again to all of you for your outstanding efforts in this Rotary year! It has long been my dream to lead this Club, and words cannot express my gratitude for your support and friendship. I look forward to many successful years ahead with Presidents Blake, Tim, and Julia!

In Rotary Service:

Tom Raabe
