

COME JOIN US AT THE EPICENTER FOR A EVENING OF FUN

Wednesday, February 5th, 2020. 5:30 - 7:30p

Hosted by Santa Rosa East/West Rotary Clubs

We are excited to share with you all that Rotary has to offer, highlighting the local projects here in Sonoma County as well as the International Humanitarian Outreach. Local beneficiaries include the YWCA, Children's Museum, The Living Room, Pony Express and Local School programs and many more!

The evening will include appetizers, beverages and the beginning of many new friendships and new Humanitarian Rotarian members.

Rotary contributes to the Brookhill food project for 50 families a week.

The Living Room Women's Shelter was given a property make-over to provide a shade and quiet space for the families.

Creating a class room this past year at the Multicultural Center

**We look forward to seeing you at the
Epicenter on 2-5-20 at 5:30p**
