

This Week's Program

May 16, 2013

Presenter: Kayli Barker

In the 2013 season at the Bullring at LVMS, Kayli will be racing in two divisions.

She will be racing in the Super Stock division and in the Super Late Model division. Her goals for the Super Late Model are to get the "Rookie of the Year" award and a top five in the points. These were the same goals she set for herself in the Super Stock division last season, and she accomplished them! She would not have been able to accomplish those goals if it was not for her constant support from her family, fans, friends, and of course her partners that made it all possible!

Rotary Recap

May 9, 2013

At the May 9th meeting of the **Rotary Club of Green Valley**, President **Melinda** rang the bell just slightly after 7am. Members and guests stood and recited the Pledge, and we moved right into introductions from Sargent at Arms **Jim S.** Morning visitors included Green Valley High School Student of the Month **Jackson Hawkins**, Jackson's parents **Jennifer and Justin**, GVHS Assistant Principal **John Scott**, and **Bob Dougherty**, guest of our newest as-of-this-morning club member, **Darcy Dougherty**.

President **Melinda** covered some club business and upcoming projects/events, reminding everyone that printed calendars were laid out on each table. This Tuesday, May 14, there will be a Board Meeting at Grape Expectations at 5:30pm. This meeting will be followed by wine botling, which will take place at 7pm, and all are welcome to join (even non wine-owners). It is rumored that a wine name has been selected, but it's being kept a super-secret surprise... Stay tuned!

Next week's speaker will be a 15 year old female race car driver who is already backed by a marketing firm, so make sure not to miss her! **Mike S.** and **Larry S.** are headed to San Diego for District Conference on May 20, in case anyone wants to join them. Also coming up is the May 22 All Star soccer tournament, and a volunteer sign-up sheet was circulated for that event. **Melinda** shared that **Jim S.** has sent invitations for this event to all local soccer organizations, so hopefully we will have a great turnout! Pepsi is donating beverages, Frito Lay will donate snacks, and we're working on grocery store sponsorship.

Melinda also discussed the upcoming 21st Birthday party, and went over a letter from member **Caroline** that had been distributed to each table. This letter details what items have been donated for the auction thus far, and also makes suggestions as to what additional items would make a good donation. We're hoping to see the "already donated" list SURGE by next week, so be thinking of what you can contribute to this very worthwhile cause!

Next on the docket was **Mike P.'s** presentation about the very impressive student of the month, **Jackson Hawkins**. We learned about **Jackson's** remarkable swimming exploits, ridiculous GPA (4.68!!!), and admirable community service. **Jackson** said a few words of thanks, and then **Mike** laid a \$50 Barnes & Noble gift card on him.

Quickly changing hats, **Mike P.** transformed from Student of the Month Presenter to Friendly Fine Master. Before fines and happy bucks really got underway, **Dave J.** wanted to know what had happened to the Margolis Doctrine- he had gifts to share! **Dave** had visited Reno, and he brought President Melinda some mediocre hotel soap and a "jackpot bell" that can be used in giving financial advice (and as an alert when Tardy Jochman arrives at club meetings) **Jim S.** came to the front to explain that he too had travelled out of town, but for a myriad of (questionable) reasons, he came to the meeting empty-handed.

Late arrivals came to the front to accept (and spread!) punishment (**Don's** spin landed on Past Presidents), and then several voluntary contributions were offered. Happy bucks included celebration of the Wine and Nine event, joy over **Darcy's** induction, and a fast-remedied health scare. The dammit list consisted of a trip to Reno, dismay over Danica Patrick not being next week's program, and an iffy plane landing, among others...

With hearts full and wallets empty, members and guests sat back to enjoy the induction and craft talk of newest member **Darcy Dougherty**. **Jim S.** did a great job of inducting **Darcy**, and then sponsor **Jim P.** made it official with a ceremonious Rotary pinning. **Darcy** entertained the crowd with a wonderful craft talk about her personal/career history, and from what this scribe heard, we are very lucky to have her! **Darcy** and her husband run Shirts, Logos and Promos, which offers logo'd apparel, silkscreened garments, promotional items, and awards, among other services and items. Welcome to the club, **Darcy**- we are thrilled you joined us!

To close out the meeting, President **Melinda** made a special presentation to our amazing Sargent at Arms, **Jim S.** Jim received a Sparkplug Award for the many many things he does, and **Melinda** shared **Jim's** selfless policy with the rest of the club, "My job is to support you in any way I can." What an admirable mission! Thank you SO much, Jim, for all you do! In his typical selfless style, **Jim S.** proceeded to win the raffle, but only took \$10 from a burgeoning \$352 pot... (Thanks again, **Jim!**). Fun was had by all in attendance, and we hope to see you next week for another meeting of the **Rotary Club of Green Valley!**

The Four Way Test

Is it the TRUTH?
