This Week's Program Program for August 13, 2015

Presenter: Dave Rice, UNLV Basketball coach

Program: UNLV Basketball

Dave Rice is in his fourth season as the head men's basketball coach at UNLV.

On April 10, 2011, Rice returned to the school where he was part of the 1990 National Championship team as a player, was a Rhodes Scholar candidate while earning his bachelor's degree in political science (UNLV '91), earned his master's of business administration (UNLV '93) and served as a Runnin' Rebel assistant coach for 11 seasons (1991-92 & 1994-2004).

In his first season back at the school, the 11th full-time head coach in UNLV men's basketball history led the Runnin' Rebels to a 26-9 overall record and became the winningest first-year head coach in the program's existence. In his second season, Rice led his squad to another 25-win campaign and back-to-back NCAA Tournament appearances. He also led UNLV to its highest NCAA Tournament seed in 22 years as the Runnin' Rebels were awarded the No. 5 seed in the East for the 2013 NCAA Tournament.

Rotary Recap: August 6, 2015 By Debbie Mitsch & Jim Paxton

The regular Thursday meeting of Rotary Club Green Valley (RCGV) was called to order at 7:15 a.m. by President Duane Frizell. Following the Pledge of Allegiance, Bob Hulshouser shared a very inspiring Rotary moment about his time in Moscow, Russia, where he attended a local meeting for a Rotary make-up. Bob learned that all Rotarians throughout the world are working toward a common goal: service above self. His description of Moscow's elite, embracing the ideals of Rotary, portrayed a powerful image of "A Rotary Moment."

Green Valley Rotary meets Thursdays at 7:00 a.m., Wild Horse Golf Club

Pres Duane announced that the SOARS presentation, honoring local police and fire first-responders, will be held August 31, 2015, at Las Vegas City Hall, from 9:00 to 11:00 a.m. This is a new venue that will comfortably accommodate all members interested in attending this inspirational ceremony.

Duane also announced that Club Assembly has been rescheduled for Thursday, August 27. All committee chairs and officers should be prepared to present goals and action plans to the general membership at this very important meeting.

Bob H, and Darcy Dougherty reported on the Gala. Darcy has created and printed ad applications for the Gala program. She asks that you consider an ad to promote your business. Bob announced a change in the Gala competition for prizes and sales. Now the "winning" Gala team will be presented gifts from the Club rather than having dinner prepared by "losing" teams. Team captains should be prepared to provide updates on their team's progress in acquiring auction items, tickets, and sponsorships.

Fine master extraordinaire and birthday boy, Mike Peterson, called up the other August birthday celebrants, Darcy D and Caroline Orzes, for a birthday serenade. Members once again delivered a unique but forgettable rendition.

After providing valuable trivia about National Wiggle Your Toes Day and National Golf Month, Mike made the rounds to collect happy/dammit dollars from the following members:

Immediate Past Pres Jack Ewing was once again in attendance and glad to be in town after his travels to Buffalo and Boston. Gerry Holinski was pleased to have his young daughter (and future Rotarian) Grace with him.

Jon Hoolihan was happy that he had recently spoken with Lauren Robedyk, who is doing well in Colorado. Lauren told Jon that her father's health has improved, and he was able to return to South America.

Steve Tucker was happy to be back from two weeks in his native Northern California, after playing tourist in San Francisco and visiting friends and family. Dave McGovern spent a hectic previous day without his store manager, who was ill. Susan Johnson requested that Wine Club members give her their checks for this year's Cabernet Franc vintage.

Bob H introduced his guest Craig Matt, who is a former Rotarian from New Mexico. Craig is now local and working with the local Hyundai dealership. He has agreed to provide a silent auction item to our Gala; welcome and thanks Craig!

Darcy D encouraged everyone to live every day to the fullest, after hearing about a close friend passing away suddenly. Jay Larsen chipped in a happy dollar for his son having made it safely to Guatemala for his two year church mission. Amanda Connor, one of our newest members, was fined a dollar for not wearing her Rotary pin while being interviewed on television. Pres Duane was glad he could still wiggle his toes after his blisters became infected during his recent hiking and camping trip.

Christine Smith was then called upon to introduce the guest

speakers, former President of Red Rock Rotary Rachel Diehl, and Linda Bertuzzi, the former Fremont Rotary President.

Rachel shared a power point of her trip to India with the "Rotary Dream Team" from District 5300.

She participated in the National Immunization Day (NIDS) and in building a water reservoir project for a rural community. Rachel is a dedicated Rotarian who was one of two Dream Team scholarship recipients to travel to India for these important projects. She experienced first-hand the dramatic difference Rotary is making. The Indian people, struggle day to day, but they will not have to worry about the ravages of polio in the future. She and the team worked side by side with villagers to build the reservoir. At the end of her presentation, she and Linda Bertuzzi provided additional information about the scholarship which will be available to any District 5300 Rotarian between the ages of 25 to 30 who has been a member in good standing for one to three years. The scholarship is funded entirely by donations, and Christine Smith was the first Green Valley Rotarian to provide funding for the 2016 recipients. President Duane thanked Rachel and Linda for the informative talk and presented Rachel with the official guest speaker pen.

The meeting was adjourned at 8:15 with recitation of the Four Way Test. Jack Ewing led us, following the selection of his raffle ticket and his drawing of a card which left the raffle prize largely intact. Finally, Debbie Mitsch was called on to ring the closing bell.
