Rotary Club Green Valley meets 7:00 a.m. Thursdays at Wild Horse Golf Club Rotary Club of Green Valley's (RCGV) now veteran President Duane Frizell rang the bell shortly after 7:00 a.m. The weekly meeting began a few minutes later with Dave Jochman leading the pledge followed by a moment of silence, requested by President Duane. A Rotary Moment followed with Jim Paxton relating insightful tales of his original club in Hailey, Idaho. The Hailey Club raised money that was matched by District and then again by Rotary International, resulting in a community swimming pool.

Guests and visitors were introduced by District 5300's newest addition to the past-district governor ranks, Larry Skaggs. General announcements covered the upcoming SOAR awards which will honor local police and fire first responders, the District Conference to be held in May in San Diego, as well as an upcoming golf marathon designed to raise money for the polio eradication campaign. Darcy Dougherty and Pres Elect Bob Hulshouser brought us up to date on our approaching Friday, October 23rd Club Gala. We will need to sell four tickets per Rotarian to meet our goals for the Gala. The four teams are underway and charted for Gala contributions.

Past Pres Mike Peterson then took over with Happy Dollars. Her Honor Susan Johnson was exempted from fines for knowing UNLV's championship year, when the Rebels defeated Duke. 1987 inaugurated the 3 point play for college basketball. UNLV has scored at least one three pointer per game since the rule went into effect. Susan was also happy that Dave Rice was the day's speaker. George Baggott had a happy dollar because he will be visiting family in Wisconsin. Dave Chase was happy to see all the club's "Daves" in attendance, including Jochman, who definitely was on time.

The day's speaker Coach Dave Rice, was introduced by retired UNLV Dean Jim Frey. Jim recapped much that we already knew or suspected about the UNLV basketball coach, but then he went into depth, informing the audience that Rice, while being a member of the 1990 UNLV Championship team, was also a Rhodes Scholar candidate, and he holds a Master of business administration degree. Dave was equally gracious in acknowledging Jim as his "friend"

and "colleague" as his talk began. Rice spoke of coming from Southern California to UNLV and about the lasting impression made on him when virtually all Las Vegas came out for a celebration parade, following UNLV's championship win. Rice spoke of his quest to recruit players of character as well as athletic talent for the team. He wants player success on the court and also in the classroom. His recruiting, coaching and teaching rely on his mnemonic R.A.C.E., which stands for:

R = Right (way)

A=Absolute

C=Confidence

E= Effort

Coach Rice told us that the schedule this year will be tough, starting with the Maui Classic which includes UCLA and other national powers. The Rebels will travel to Tucson to meet powerhouse Arizona. He promised more "running" for the Rebels this year. Many questions for Coach and many insightful answers and comments followed, including Rice's wish that the current "One and Done" phenomenon of outstanding first year college players declaring for the NBA draft would "just go away." Thanks for a great program Jim and Dave!

Rice, next was called on to pull a ticket for the club raffle. The ticket was held by the Club's new Secretary Caroline Orzes, who won seven dollars by pulling a seven from the deck of cards. Caroline lead the members in reciting the 4 Way Test of Things We Say and Do to conclude the meeting.
