

The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

This Week's Program Program for July 30, 2015

Presenter: Rachel Diehl, District Public Image Chair

Program: Polio Immunization program

Rachel Diehl is the Owner of The Real Diehl PR & Marketing. With almost a decade of experience, Rachel is passionate about connecting organizations with the public to create win-win experiences for all stakeholders involved.

For Rachel, this isn't just a job, it's a calling and a passion. In high school, Rachel was tasked to gain media attention for her Girl Scout Gold Award project. After spending time with community industry leaders learning PR from the ground up, Rachel successfully earned media coverage from all four major local TV stations and The Las Vegas Review-Journal. She caught "The PR Bug" and took every volunteer PR opportunity she could until she earned her degree in Journalism and Public Relations with minors in Marketing and Management from the University of Nevada, Las Vegas.

While in college, Rachel interned at a local PR agency that hired her full-time upon graduation. During her time there she executed many nationally recognized and award-winning campaigns, including Mac King's Magical Literacy Tour, the launch of SlotZilla at Fremont Street Experience, the debut of Cricket Wireless' Muve Music service, and many more. Her campaigns have not only received local, national and international coverage, but have also been recognized regionally and nationally by peers. Rachel's campaign for Mac King's Magical Literacy Tour was recognized as the "Public Service Campaign of the Year" in 2011 by the Public Relations Society of America and shortly after was featured in PR Week's "Exceptional PR Campaign Case Studies."

Rachel is passionate about giving back to the community. In college she co-founded the Rotaract club at the University of Nevada, Las Vegas and served as the club's charter President-Elect then President. After college, Rachel joined the Rotary Club of Las Vegas Red Rock as a founding member and has served as the club's PR Chair since 2010. She simultaneously also held roles of President and New Member Coordinator. She also chairs Rotary District 5300's Public Image Committee. Rachel has been on many international service projects,

Rotary Recap: July 30, 2015 By Jim Paxton

President Elect Bob Hulshouser, who was filling in for President Duane Frizell, called the regular Thursday morning meeting of the Rotary Club of Green Valley (RCGV) to order following 15 minutes of breakfast and fellowship at the Club's regular Wild Horse Golf Club meeting. Following the pledge of allegiance, a moment of silence was called for by Pres-elect Bob .

Next, Bob asked Director and Rotary Youth Leadership Award (RYLA) Chair Christine Smith to share a Rotary moment. "The Rotary Moment I'd like to share happened last year during Santa Hoolian's Christmas celebration, in one of the poorer neighborhoods in Henderson. In addition to the gifts Jon provided for the children, we brought lots of books to give away. One boy looked very sad. I asked him if he liked Harry Potter, and the boy responded with an excited 'yes'. I knew that I had a new Harry Potter hardback tucked away, and when I gave it to him, the sadness changed to a big smile and his eyes were filled with tears of joy,"

Gerry Holinski introduced our guest and program speaker, Denise Wadsworth, the District 5300 Vocational Chairperson. Foundation Chair Susan Johnston was called to the podium to present Tom Bramlett as the Club's latest Paul Harris Fellow. "Tom won \$500 in our raffle a few weeks ago, and he donated it back to the Club. RCGV had accumulated some recognition Paul Harris points, which we put with Tom's raffle winnings that earned him a Paul Harris Plus honor."

Next, Susan reported that RCGV's gifts to the Paul Harris Foundation have now surpassed the \$100,000 mark. RCGV is one of the few clubs in the District to have exceeded the \$100 thousand figure. "Furthermore, after a slow start, the Club reached its goal for polio plus last year, and we have collected 50% of this year's pledge," Susant announced proudly.

Darcy Dougherty, chair of the Gala Celebration, reported that there are four teams competing to collect auction items, gain sponsorships, and to sell tickets for the Gala. The team captains are: Mike Peterson, Debbie Mitsch, Stephen Tucker, and Art Basa. Ticket receipts should go to Darcy, and auction items go to Caroline Orzes.

Darcy reported, "The catering contract has been signed, and the food

will be delicious. Win Win productions will be providing a 'Strip Quality' show for the evening, and the Club will be honoring a Henderson community activist. We received a \$1,000 donation from US Bank, and we need to sell more sponsorships and tables."

Tom B. announced that the Soars Awards are coming up on, August 31st, honoring police and fire first- responders. "Soars is a magnificent ceremony," Tom continued, "and I hope that we can get a good turnout to honor these heroes."

Past President Mike Peterson was called upon for the happy/dammit dollars portion of the program. Caroline O. was happy that she will be going away for five days, and Delinda C. said that she will be going on a Caribbean vacation in just five days. Tom B. had a happy dollar that his grandson is coming for a visit. Chris Adams was happy that she has tickets to see Johnny Mathis. Membership Chair Gerry H. is happy that we have two pending members, Brad Marx and Michael Ty. Gerry was also happy about his new puppy.

Ashley Mahaney had a dammit dollar for the challenge of watching two additional children, in addition to her own baby. "I don't know how some of you with large families do it," she said. Jim Paxton was happy that he attended a San Diego Padres game the week before, and Art Macarios was happy about celebrating his 50th anniversary.

Gerry H. was called on to introduce the day's speaker, Denise Wadsworth, District 5300 vocational chair, and member of San Marino Rotary. The energetic Denise explained that RCGV needs a vocational chairman. "Unfortunately, about 45 of our district's nearly 60 Clubs do not have vocational chairs. The vocational chair builds relationships by serving others and with professional associations between club members and the community, she explained.

Denise chairs her San Marino Club's Interact program at the junior high school where she teaches speech pathology. I am at a very affluent school where 70 percent of the students' primary language is Mandarin. We feature a Rotarian as speaker each month at the Interact meeting. This is a great way to discuss financial literacy and to educate Interact about career possibilities.

"I also teach executive functioning and vocational skills at Pasadena City College (PCC). I have been active with the 800 vets we have at PCC, about 100 of whom are females. The Vets face many challenges: about half of the 100 PCC women vets have suffered sexual abuse during their military careers, and many vets also have post traumatic stress disorder (PTSD). Denise was instrumental in raising money to build a quarter- million dollar Veterans Health Center at PCC, and she serves on the VA Health Center's Board of Directors.

Following Denise's presentation, the Club raffle was held and Denise pulled the ticket belonging to David McGovern. David pulled a nine from the deck of cards, leaving \$200 for future raffles.
