

The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

This Week's Program

Program for July 23, 2015

Presenter: Janet Panncoast, Trial Attorney with Zurich North America

Program: Her experiences while in South America on Rotoplast mission

Rotoplast International is a non-profit, 501(c)(3) humanitarian organization providing free reconstructive operations and treatment for children in need worldwide. We provide long-term solutions by funding and

mentoring local physicians; launching public education projects; and advancing research. Through collaborative programs throughout the world, Rotoplast efforts expand far beyond surgical intervention and help foster international goodwill, peace and understanding.

The goal of Rotoplast International is to eliminate the incidence of untreated cleft lips and palates in children worldwide by the year 2025. Rotoplast will employ the following strategies to reach this goal:

Facilitate medical missions to provide surgical intervention for children who are not able to receive treatment or who are in need of more complicated medical procedures than can be provided by local physicians.

Counsel families about ways of reducing the incidence cleft palate anomalies through diet, vitamin supplementation, and life style changes.

Collaborate with local health professionals on follow-up care and on development of comprehensive cleft palate programs where feasible.

Learn about the incidence and causes of cleft lip and palate anomalies, including both genetic and environmental factors.

Educate local physicians and specialists by urging them to work with our teams to broaden their skills in treating cleft anomalies.

Foster international goodwill and fellowship by working with Rotarians as well as with health officials in host countries.

August 2015

08/06 - Program: Easter Seals; born from Rotary!
08/13 - Meeting Program: Shelley Berkley, Provost Touro
08/20 - Program: Tony Brace, Authror, Speaker, Coach

Rotary Club Green Valley meets 7:00 a.m. Thursdays at Wild Horse Golf Club

Rotary Roundup

July 23, 2015

By: Bob Hulshouser and Jim Paxton

The weekly meeting of Rotary Club of Green Valley (RCGV) was called to order by President Duane Frizell at 7:15 a.m., following a few minutes of fellowship among Rotarians and guests. George Baggott then led the club in the Pledge of Allegiance.

President Duane asked that the members share a moment of silence and introspection. He then invited Susan Johnson to describe a “Rotary Moment” that she wished to share. Susan began by saying that she has enjoyed many Rotary moments, but one of the most memorable is her participation in the constructing of the Rotary International float for the annual Rose Parade in Pasadena, California last winter. She was amazed by the enormity and complexity of this task and the wonderful camaraderie that grew among all participating Rotarians and their families. Susan encouraged us all to volunteer for this great Rotary event in the future.

Immediate Past President Jack Ewing was called upon to introduce our visiting Rotarians and guests including Roxanne Unverrick, guest speaker from the Nevada Office of Veterans Services; Tom George, Nevada Office of Veterans Services; Missy Day, guest; Elaine Jenks, guest and former Rotarian; Jason Duhon, prospective member; Greg Bruce, prospective member; and Julia Zhang, prospective member.

President Duane then opened the meeting for announcements.

- Darcy Dougherty introduced her guest, Missy Day.
- Bob Hulshouser announced that Edna Martinez, a 2015 graduate of Silverado High School, was recently nominated by RCGV for consideration as a District 5300 scholarship candidate. Edna is the immediate past president of her school’s Interact Club and the senior class valedictorian.
- Darcy discussed the status of our annual Fund Raising Gala. She then asked our four fundraising team captains to draw the names of their team members from a hat. With the exception of the Gala Committee members and the club president, all members of the club will be team participants and friendly competitors as they seek sponsors and donors for the Gala. The teams will compete for auction items secured, sponsorships, and tickets sold. Everybody has an opportunity to help in making the “Be a Gift to The World Gala” a great success. Team captains and their teams are listed at the end of this bulletin.

Past District Governor Larry Skaggs had a wonderful time with our weekly “Happy Dollars” collection, followed by some interesting and humorous trivia questions for the month of July. We were treated to a history of the American hot dog, as a tribute to National Hot Dog Month, celebrated in July. Did you know that Mickey Mouse was the first celebrity to say “hot dog” on screen?

Program Chair Gerry Holinski introduced our guest speaker, Mrs. Roxanne Unverrick, Nevada Office of Veterans Services. Mrs. Unverrick discussed the many programs and services available to military veterans in the State of Nevada. She emphasized a new program designed to provide legal aid for low income veterans, and she spoke of property tax exemptions that are available to veterans who meet certain requirements. Mrs. Unverrick

provided all in attendance with booklets containing a plethora of information and points of contact for veterans and their spouses.

Following an informative program, the weekly raffle drawing was held. The pot continues to grow! Bob Hulshouser's raffle ticket was drawn, and he led the club in the recitation of The Four Way Test. The meeting was adjourned at about 8:20 AM.

Guests

Roxanne Unverrich - speaker

Tom George - assisting speaker

Missy Day

Elaine Jenks

Greg Bruce - Prospective Member

Juliya Zhang - Prospective Member

Jason Duhon - Prospective Member
