

The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

This Week's Program

Program for July 9, 2015

Presenter: Dr. Kastrup, Nevada Orthopedic & Spine Center

John J. Kastrup, M.D. has been a valued member of Nevada Center since December of 2009. He specializes in minimally invasive hip and knee replacements, including the new partial knee replacement. He was one of the first surgeons in the U.S. to provide minimally invasive hip replacements. He is dedicated to finding a cure for arthritis and is a long-term supporter of the Arthritis Foundation. Dr. Kastrup practices with the most current techniques in joint

replacement, utilizes the rapid recovery protocol and uses cutting edge pain management techniques allowing patients to recover from surgery without using intravenous narcotics.

John J. Kastrup, M.D. was raised in Cincinnati, Ohio. Dr. Kastrup received his undergraduate degree in mechanical engineering from the University of Cincinnati. While attending university, Dr. Kastrup was involved with the original pioneer research on Anterior Cruciate Ligament (ACL) Reconstruction of the Knee. Dr. Kastrup received his Doctor of Medicine from the University of Cincinnati College of Medicine in 1988. During medical school, Dr. Kastrup did research focused on Mallet Finger Injuries and his outcomes are referenced in multiple orthopedic textbooks.

After medical school, Dr. Kastrup completed his Orthopedic Internship and Residency at Hamot Medical Center in Erie, PA from 1988-1993. He completed an additional year of subspecialty fellowship training at the Cleveland Clinic in Adult Reconstructive Surgery. His fellowship involved the treatment of arthritis and joint replacement for the Shoulder, Hip and Knee.

07/16 Debbie Mitsch

Rotary Roundup

July 2, 2015

By: Susan Johnson & Jim Paxton

The first meeting of Duane Frizell's reign as the new Rotary Club of Green Valley (RCGV) President was opened by the clang of the bell. After our members made their way through the breakfast buffet line, Jerry Gardberg was called upon to lead our group in reciting the Pledge of Allegiance to the flag. After a moment of silence for members to reflect upon Rotary, newly-Past District Governor (PDG) Larry Skaggs gave his Rotary Moment concerning a 10-year-old girl's talk at the International Convention in Rio de Janeiro, Brazil last month.

The day's Sergeant-at-Arms Bob Hulshouser introduced our visitors and guests: Walker Richardson, visiting Rotarian from the Henderson Rotary Club; Brad Marz, who will be submitting an application for membership; and Steve Chartrand and John Grady, program speakers and principals of Goodwill Industries.

Next on the agenda were the announcements: July 14th is the Club's first board of directors' meeting with the place to be announced. The July 30th meeting will be club assembly, with our officers and chairs discussing their goals. Darcy Dougherty reminded our group of the upcoming Gala on October 23rd. We need sponsorships, table sales, and silent auction items. Bob H. notified the members that we will have four teams of ten to garner silent auction items. Past Pres/Foundation Chair Susan Johnson announced Wine Club 2015 will start in August/September—Jim Paxton is joining to fill the Club's final open slot.

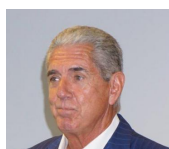

PDG Larry S. gave a presentation to Janet Pancoast for her role in Rotoplast last year. Darcy D. was pinned by Gerry Holinski, membership chair, for her work in membership recruitment.

RCGV has four members celebrating birthdays in early July: David Jochman, David Lee, Past Pres Jim Frey and PDG Larry S. Our group sang "Happy Birthday" to these recipients as only we know how, but thereafter, a special treat occurred when Delinda Crampton sang her rendition of the song, and Dave J. led our group in singing George M. Cohan's

"Yankee Doodle Boy." Without being outdone, PDG Larry S. presented both Steve Tucker and David Chase with Rotary International stamps for their collections. Finally, Larry's sob story of what he went through to obtain the stamps launched "Happy Bucks/Damn It Dollars."

Past Pres Mike Peterson announced that July 2nd is National UFO Day, or awareness day for people to watch the skies for unidentified flying objects. We learned that Ufology is an actual science. "ET" was the highest grossing sales movie picture of its time, out-pacing "Star Wars." These box office record holders demonstrate the fascination with UFO's.

Our Program Speakers John Grady and Steve Chartrand spoke about their involvement with Crime Stoppers and Goodwill Industries. Last year, Goodwill placed 2,361 people in employment. Ninety one percent of their costs and expenses are funded through Goodwill's stores, and the other nine

percent through grants and donations. Rotarians can help with their mission by cleaning out our closets and donating virtually anything from clothing to computers. We can shop in Goodwill stores and shop online, and we can also help by hiring their clients.

The meeting concluded with a raffle, and Past Pres Susan J. won with the last 3 digits being 732. She pulled a "10" from the depleting deck of cards, winning \$10. The Joker is still in wait. Susan was asked to lead our group in reciting the Four-Way Test, and then Janet P. was asked to formally end our meeting—with a loud clang of the bell.

Duane's Ode to Jack, "The Hillbilly of Hinder-tuckey"

This is a story of a man named Jack.
Went to the 'cademy, became a leatherneck.
Then one morning when he was flyin' his
chopper high,
He saw NYSE and NASDAQ in the sky.
(Stock exchanges that is ...)

Next thing you know, Jack has the financial flair.
Kinfolk said, "Jack move on away from here.
Way out west is the place you ought to be."
So, he packed up his bags, and he moved to
Hender-tucky.
(Nevada that is -- not Ne-VAH-da...)

Up in the clouds, Jack saw the wheel of Rotary.
"Service above self" is the way it ought to be.
Under the watchful eye of Past Prez Michael Soden--and Larry Skaggs, DG--
He served as the President of our own Green Valley.
(Rotary Club that is ... fines and good times)

Delinda's Proposed Birthday Song

Me Me Me Meeee Me.
Happy Birthday to you. Happy Birthday to you. Happy
Birthday to you.
Happy Birthday to you.

I really mean it. Rah da da da

Happy Birthday to you, Yeah!

Guests

Steve Chartrand - Speaker, Goodwill Industries

John Grandy - Speaker, Goodwill Industries

Brad Marx - Prospective Member, guest of Duane F.
