The RCGV honored Silverado Student of the Month Darren Quinton. Darren is currently ranked number 1 in his class of 441 with a 4.0 unweighted grade point average and a 4.8 Grade Point Average with his Advanced Placement Bonus Credits.

Darren's calculus teacher, Mr. Drum, says that Darren brings a unique welcomed sense of humor to class every day. "He always makes class better with a childlike intellectual curiosity which most kids, even honors kids, lack."

Ms. Notaro, Darren's AP English Literature and Composition teacher, calls Darren a critical thinker and a skilled writer who consistently demonstrates depth of understanding of the college-level works studied in AP English. He comes to class with a smile on his face. His positive energy inspires his classmates and sets a collegial tone."

In addition to his excellence in the classroom, Darren earned his 4-year white letter for tennis this year. Coach Phillips called him a good player, but an even greater teammate, who always brings a positive, winning attitude to every practice and to every match.

Darren was honored by the Club with a standing ovation, a certificate of accomplishment, and a \$50 gift certificate to Barnes and Nobel. He is undecided about where that he will complete his higher education, but he has expressed an interest in both accounting and engineering.
