Rotary Recap

March 19, 2015

By Susan Johnson and Jim Paxton

The meeting of the Rotary Club of Green Valley (RCGV) opened with President Jack Ewing's clang of the bell. After our members helped themselves to a delicious breakfast, the meeting opened with our guests and members reciting the Pledge of Allegiance.

Lauren Robydek introduced our guests and visiting Rotarians: Speakers Tina Quigley and Aileen Pastor, and Jesse Diaz from the Regional Transportation Department (RTC). City Council Candidate Derek Uehara made a second visit, as did prospective member Arthur Macarios.

Prez Jack reminded our members of the following upcoming dates:

-Southern NV Rotary's Foundation Dinner takes place March 28th at Treasure Island. The cost per ticket is \$100. At this juncture, fewer than 100 folks have RSVP'd!

-District Assembly/BODTS (Board of Directors Training Seminar) takes place Saturday, April 11th, at Oakhill High School in Hesperia, CA. Registration starts at 8:00 a.m. All Rotarians are encouraged to attend. We will be car-pooling to the conference.

-Saturday, May 2nd, District 5300 Rotarians will be going down to Mexico to build houses as part of the Corazon Super Build. Rotarians will be traveling from Southern NV, on Friday afternoon, and ultimately enter Mexico from Chula Vista/San Diego, traveling south to Tecate, early Saturday morning. The plan is to return to the United States after the houses are completed and stay the

Events

March 2015

03/26 - Club Meeting: Club Assembly

April 2015

04/02 - Club Meeting: Renee Coffman Ph. D. Roseman University

04/09 - Club Meeting: Junior Achievement of LV, Michelle Jackson CEO

04/16 - Club Meeting: Teacher Mini Grants

04/23 - Club Meeting:

to return to the United States after the houses are completed, and stay the evening in Chula Vista. The group will return to Southern NV, on Sunday.

-May 14-17 is the District Conference to be held at Green Valley Ranch. As the conference will entail a celebration of District Governor Larry Skaggs' year as District Governor, all GV Rotarians are encouraged to attend!

-May is also a busy month as our club's Annual High School All-Star Seniors Soccer games will take place then. The specific date is to be announced.

-In addition, the Silverado and Green Valley High School Dan Stover Music Contest began this week. Regional Competition will follow in April and the finals will occur at the District Conference.

Brian Whitaker introduced our program speaker, Tina Quigley, General Manager of the Regional Transportation Commission of Southern NV. Ms. Quigley gave us an update of the RTC of Southern NV from her previous talk, presented to our club about two years ago. The National Transit Database has named the RTC the most efficient transit

provider in the nation. The agency is quickly becoming one of the most effective transportation organizations in the country due to its strong partnerships with both private and public sector organizations. Recently, there has been a passing of bi-partisan legislation that has indexed Clark County's fuel tax to inflation for a three year period. This effort is expected to generate up to \$700 million in revenue to fund 185 regionally and locally significant transportation projects which are expected to create thousands of jobs in Southern Nevada.

Significant enhancements have been made to the RTC Transit system, improving workforce mobility and accessibility for our two million residents and 40 million visitors. In the last several years, the RTC launched eight buses, rapid transit, express routes, and a new residential route. RTC also introduced a transit pass program for university students. In addition, the RTC built three transit terminals with commuter park and ride facilities, a LEED-certified transit hub in downtown Las Vegas, a first-of-its-kind traffic management center, and a second bus maintenance facility.

Last on the agenda was our raffle, and guest Derek Uehara's ticket was called. Luckily for all of us, he did not draw the Joker, and there is now one less card in our deck. The meeting ended with the recitation of the Four-Way Test, and the clang of the bell.
