

The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and
BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all
concerned?

Rotary Recap: December 3, 2015 By: Stephen Tucker & Jim Paxton

As usual, President Duane Frizell initiated Rotary Club Green Valley's (RCGV) meeting at WildHorse Golf Club with a 7:00 a.m. bell and a 7:10 a.m. meeting start. Past President Ashley Mahaney provided us with a Rotary Moment about fond memories of growing up herself, in a Rotary family. She concluded with more recent revelations, including her surprise at seeing who and how many members come out as volunteers to do Rotary tasks. A half dozen guests and visiting Rotarians were introduced to us. We were reminded that next week's meeting will be at Green Valley High School library, not the golf club. Plugs were heard for the upcoming All Star Soccer game this Wednesday, and upcoming officer and board elections, December 17.

Past Pres Mike Peterson presided over Trivia and Happy Dollars and Birthday wishes. A (terrible) birthday serenade was given for Debbie Mitsch, Art Macarios, Jay Larsen, Don Havins, Jerry Gardberg and Darcy Dougherty. Kudos to RCGV stalwarts Jerry G. for 15 years with the Club, Judge Susan Johnson, 12 years, Past District Governor Larry Skaggs, 12 years, and Christine Smith, six years. Happy and Dammit Dollars were collected from many, including Dave McGovern, an early leaver; Ashley, who went to California; and from Stephen Silberkraus, who not only made the meeting, but was early. Art Macarios put in a dollar for turning 80!. Jim Paxton celebrated his ski trip, and Gerry Holinski was happy about Chamber happenings. Greg Bruce was happy about his Cancun trip and about the Broncos' win.

Judy Lloyd happily told of her Thanksgiving visit to her 99 year old aunt in Minneapolis. Darcy Dougherty happily recalled her brother and sister-in-law spending their vacation here, and Dave Chase was unhappy that the "Patriots were robbed." Larry Bettis contributed, since "he had to spend a week in Hawaii." Debbie Mitsch had a sad dollar because member Tom Bramlett is very ill. Bob Hulshouser was happy that former Silverado Interact all-star Edna Martinez is doing well at Notre Dame. Susan Johnson was happy that she and husband Eric, will be playing Mr. and Mrs. Santa Claus for the 10th year, and they will be running a marathon in Sacramento. Christine Smith had a happy dollar celebrating her trip to Arizona. Jim Frey had a fist full of dollars celebrating his five grandkids visiting. Pres Duane was happy that his alma mater, BYU, has been invited to the Las Vegas Bowl. Also of note: Bobbi and Sandy Ellis, our honorees at the Gala, have donated \$1000 to our Nevada Rotary Foundation (NRF).

A Club Assembly was held in lieu of a program speaker. Our club is and will be doing amazing community service. Highlights included Jay Larson, Mike Peterson and others reporting on projects including the All Star Soccer Game, volunteering at the Magic Forest for Opportunity Village, and on the 500 \$2 bills that the Club inserts into Holiday Cards. New and gently used clean clothing, personal hygiene and baby products are being collected for the Catholic Charities Homeless Store. Santa Hoolihan has a bum wheel this year, and other members, including Pres Duane, need to provide him extra help. The President Elect Training Seminar (PETS), the Rotary Rose Parade Float project, and the Souper Bowl of Caring projects are approaching.

The Teacher Mini-Grants and Corazon Super Build in Mexico are planned as is the improved RCGV Bike Rodeo, which was awarded District Grant. Another grant bought books for our Literacy Campaign.

The Foundation Dinner is planned in Ontario with the Rotary International (RI) President's address, and District Assembly is approaching, RYLA youth training will again be in Crestline, California, and the District Conference is in May. The RI Convention is in Seoul, Korea, May 29 - June 1, 2016.

Debbie M. reported on membership. She suggests using the "What's Rotary?" brochure, available at the greeting desk each meeting, to assist in recruiting.

Membership applications are on our website. Susan J. told us our foundation (NRF) is in full swing, Our members should be proud that the Club has now exceeded \$100,000 in giving to the International Rotary Foundation. End of the year contributions are still needed.

Darcy said that the Gala netted \$12,000 for the NRF and another \$4000 for Club

Projects . Mike Soden listed some specific grants including Library Tree (\$600), SNAPS (\$700.), GVHS (\$1500) and Students of the Month (\$300). President Duane and PDG Larry are in the process of re-working the Club By-Laws and Policies and Procedures. Pres Elect Bob Hulshouser reported on the upcoming club elections. He recounted Interact's successes at Silverado and Green Valley High School. RCGV is truly busy and involved!

Ashley concluded the meeting with the raffle. New member Jim Hooban won and scored eight bucks.

Twenty Forth Annual Prep All-Star Games Set for December 9th, Volunteers needed

One of Rotary Club Green Valley's (RCGV) longest, most successful events is coming up at UNLV, Wednesday, December 7th, when the 24th annual high school all-star soccer game is scheduled. Charter member Jim Frey, who retired as a Dean from UNLV, was instrumental in founding the games. Jim handed off the chair position three years ago to Mike Peterson. An estimated 1,000 viewers attended last year's game, which was held in the spring, well after the close of the season. College scouts are usually present, and it is thought that the December date will draw more college reps.

Moving the game to next week is appealing, probably enhancing performance, since the regular season ends in much closer proximity to December than the past when it was held in the spring. The soccer game is a volunteer intense program, and Mike is hoping that large numbers will be able to volunteer for one of the two shifts, the first beginning at 4:00 p.m. and the second at 6:30.

First Shift volunteers will be needed to collect and sell admissions, to hang banners, for concession stand stocking, and for grilling hamburgers and hotdogs. Hats off to local Frito-Lay executive Joe Reuber, who makes product available for us to sell at the game.

During the second shift, volunteers will continue the grilling and working the concession stand. They will also sell tickets for our 50-50 fund raising raffle and they will assist in the tear down.

Mike recently e-mailed the membership that grill masters are needed as is a soccer-literate announcer to act as a spotter for Ted Gruner who does the Public Address work. \$25.00 program adds are again available. The business card ads were purchased by members Gardberg, Havins, Larsen, Hoolihan, Margolis, Paxton, Holsinki, Dworkin, Dougherty, Hulshouser, Johnson and Frizell last year. The ads will be renewed automatically unless the advertisers opt out by notifying Mike P. of their desire to opt out.
