Rotary Recap: May 19 2016

By: Stephen Tucker & Jim Paxton

In the absence of Club President Duane Frizell, President- Elect Bob Hulshouser opened the regular Rotary Club Green Valley (RCGV) Thursday meeting with a moment of reflection. Greg Bruce led the Pledge and Mike Smith provided a Rotary Moment. Mike was formerly a member of the Rotary Club of New Delhi, India. He recalled that this large club had many wealthy and influential members, including one who could and did write a check for a million dollars, allowing such projects as sponsoring an orthopedic hospital in India's capitol city. Mike's special moment was visiting the hospital's polio ward (polio was still endemic to India back then), and seeing the hope on the faces of the patients: an inspiring Rotary Moment if there ever was one!

Debbie Mitsch introduced our guests and visiting Rotarians. Bob H. reminded us to pay our club dues and keep up our attendance. Stacy Mulligan told us about the Triathlon set for 6:00 a.m. to 9:a.m., Saturday morning, June 4. Darcy Dougherty plugged the annual Debunking scheduled for June 23; our annual change of leadership gala will replace the usual Thursday morning meeting and will be held at 6:00 p.m. at Wildhorse. Dave Jochman told us we would be treated to a program next week, featuring four combat Marines who served in the Korean War.

Rotary Club Green Valley meets Thursdays, 7:00 a.m., Wildhorse Golf Club

Mike S. then led us into the presentation of the Students of the Month awards, two this meeting! One hailed from Green Valley H.S and another from Silverado College Preparatory & Career/Technical H. S.

The first recipient was Daniel Mallory , ranked #1 out of 690 seniors at GVHS with a 4.8 (perfect) advanced placement weighted GPA. Daniel also participates in Varsity Band, Symphonic Orchestra, track and field (triple and long jump), and Varsity Quiz (MVP and scholarship). His teachers were unrestrained in their praise for Daniel's efforts and prospects for the future. He plans to attend the University of Nevada Reno (UNR) next year, double majoring in math and physics, with a minor in music. His goal is to teach at the university level.

Elizabeth (Izzy) Welte from Silverado is also ranked highly in her class of 507 at SHS. With her 4.32 weighted GPA. Izzy is deeply involved in student theatre and tutoring . Her teachers commend her for excellence, enthusiasm , hard work , positivity and good humor. Both students were accompanied by their parents at our meeting. Both honorees were well spoken in accepting our awards, plaques, and gift certificates.

Darcy Dougherty presided over the Happy and Dammit Dollar session this week. Many of our Rotarians and friends coughed up enthusiastic happy dollars for two recurring subjects: (1) the excellence of our Students of the Month and (2) the importance of and good times had at the New/Old Member Social Roundup event. It was held at the Anthem home of Membership Chair Debbie Mitsch and husband Bob the previous Friday evening.

Other Happy bucks from around the room came from Stacy M., who attended a wedding in Florida last week. Stephen Silberkraus had a happy dollar for Judge Eric Johnson's ruling on the school voucher case. (Susan J. liked it too, but Jim Frey dissented, coughing up a Dammit dollar). Don Havins is happy to be headed for Cuba this Saturday. Terry Perkins was happy for the 10,000 steps he measured every day last week. Larry Skaggs was happy for the Cubs still being alive. Bob Dworkin was happy that he and his wife finally abandoned California, and they are completing the move to Henderson before taking a trip to North Carolina. One unhappy dollar came from Delinda Crampton, following her father- in- law's passing in San Diego.

Program Chair Jerry Holinski moderated the day's craft talks by two new members: Heidi Woodruff is a New Jersey native who spent two years in high school in Barbados. She received her degree in finance at UNLV and began her two- decade career in banking at Bank of America before rising to become a branch manager at US Bank. Heidi has a special focus in small businesses. She has been married for nine years to husband Ron, and she has a 20 year old son from a previous marriage. Heidi enjoys history, renaissance fairs and travelling, especially abroad. George Baggott was her RCGV sponsor.

Dan Stock was born in Canada and is a dual US/Canadian citizen. His father was a professor at Stanford when he was growing up in Palo Alto. His studies in architecture in Southern California were interrupted by a serious motorcycle accident, but he ultimately recovered sufficiently to complete a bicycle voyage from California to Seattle.

The frustrated architect within Dan's spirit led him into designing trade

shows. An extension of that 20 year career was beginning a successful trade show magazine. After selling the magazine, he moved to Birmingham, Alabama. Next up was a marketing firm here in Vegas and a return to school for an anthropology degree at UNLV. During a stint with the statewide PTA, he connected with Easter Seals and began yet another career as an executive with Easter Seals.

Dan became curious about Rotary, upon finding out that Easter Seals' 100 year old roots were connected with Rotary. After "interviewing" local clubs, Dan decided that RCGV was the one for him, and he joined us this past year. Dan's spouse is Wendy.

Treasurer Brad Marx closed another outstanding meeting by leading all present in the Rotary Four Way Test of things We Say and Do following a raffle.
