

The Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and
BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all
concerned?

06-16-16: Jim Paxton

06-23-16 To Be Announced

Rotary Recap: June 2, 2016

By: Heidi Woodruff & Jim Paxton

The regular Thursday breakfast meeting of the Rotary Club Green Valley (RCGV) was called to order at 7:15 a.m. by President Duane Frizell, following breakfast and fellowship at the Wildhorse Golf Club. After the Pledge of Allegiance and a moment of silence for reflection, Pres Duane called on Membership Chair Debbie Mitsch to introduce guests and visiting Rotarians.

Visiting Rotarian Robin Mundell's application for membership is being reviewed. Visiting Rotarian, Mark Roy moved to Las Vegas last week from Irvine, Ca. Guest Speaker and President of the Nevada State College, Bart Patterson and his assistant Chris, were also in attendance.

Announcements followed: Stacy Mulligan reminded us that the Phase 1 Foundation Second Annual Kids Triathlon is Saturday, June 4th, at 6:00 a.m. Darcy Dougherty reminded us to RSVP for the Debunking Party on June 23rd, at 6:30 p.m. at the Wildhorse Golf Club and presented the Club with a check of royalties from Rotary apparel.

Past District Governor Larry Skaggs told us that the International Convention was just held in Seoul, Korea. Four out of the next six International Conventions will be in North America. The 2017 convention will be in Atlanta. There is a reduced price if you register early. Governor Larry also let us know that we can volunteer in

early. Governor Ealy also let us know that we can volunteer in December to help build the Rose Bowl float.

Susan Johnson announced that the evening's Foundation meeting was cancelled. Susan also had the honor of presenting Steve Tucker with Paul Harris Fellow + 3. Susan shared a wrap up about the last meeting of Wine Club 2015. They bottled and labeled their wine, Cab Frank.

The wine will be entered August 6, at the Orleans Casino's the Bacchus Awards.

Mike Peterson hosted Trivia and Happy Dollars. Trivia was ice cream related, and we learned that mashed potatoes are used in pictures instead of ice cream so it doesn't melt. Michael Smith dubbed The Iron Lady, Margaret Thatcher, as the Dairy Queen due to her involvement with soft serve ice cream.

Terry Perkins had \$10 Happy Dollars for the publishing of his son's art book, Home Stage. At Susan's advice that \$10 soon became \$20. Darcy Dougherty went to Illinois to celebrate a 50 year anniversary in her family. Stacy Mulligan almost didn't make it to the meeting but was happy she did and that Terry Perkins is her new client. Delinda Crampton was happy for the last day of school.

Steve Silberkraus was happy because he only had 13 more days left to campaign. Jim Frey was happy to be going to Reno. Dave Jochman was reminiscing about the amazing presentation we had from the Korean War Veterans the week before. Steve Tucker said thank you for the Paul Harris Fellow plus three. He said he was going to go home and share it with his dog Paulina Harris. Robin Mundell was happy that she saw several newspaper photos of Judy Lloyd volunteering.

Jay Larsen was happy to go to California. Susan was sad because she had a funeral to attend on Saturday.. Bob Holshouser thanked Jochman for bringing the Korean War Program. Bob was pleased he had the opportunity to sit with the veterans, and he got a kick out of it when they called him "kid". Debbie Mitsch was happy to have attended the wine bottling and getting to spend time with Jerry Garber.

Visitor Mark Roy said the RCGV was recommended to him before he moved here, and he can see that he will have fun with this group. His great granddaughter is due in July. Ted Durant was happy to have attended the Boulder City Memorial Service. Gerry Holinski thanked Steven Silberkraus for all the communication during the Assembly campaign and for keeping his mailbox full. Gerry is also happy to be going on a family vacation to ride ATV's in Hurricane, Utah. Finally, Pres Duane announced that he is broken hearted about leaving office. He was going on a camping trip with the Scouts. He also was looking forward for Susan Johnson to get back at him for the faux pas in the award presentation earlier and was thankful that it happened at the end of his term and not the beginning.

President of Nevada State College Bart Patterson was our guest speaker. Nevada State College (NSC) is a four-year public college that opened in September, 2002. It is Nevada's first state college. NSC has around 3,300 undergraduate students. NSC's enrollment has grown from 177 students in 2002 to 3,389 in 2012 making it one of the fastest growing institutions of

higher education in the country.

Their main focus is on Nursing and Teachers although they offer other majors. Patterson said that the most economical path is for students is to get their Associates Degree at a community college, and then transfer to NSC. This path makes the cost for the student 42% lower.

Two out of Three students are First generation. Seventy seven percent of NSC's student population is female. Forty three percent of students are between the ages of 17-24 and 57% are 25 years of age or older. The campus is on 509 acres. They recently built two new buildings. Nursing Science and the Education Center with digital library with over 1.4 million books and the Rogers Student Center.

Subjects Patterson hopes to add soon are Autism, English as a Second Language, and Technology. NSU is one of the leading institutions for Speech pathology. They are focused on pre-med and pre-vet. They have four cadaver labs. NSU is putting together Intramural Club Sports. Their mascot is a Scorpion. The sports are privately funded because the school doesn't have other funding sources. Rowing will be their first sport, and they will practice at Lake Las Vegas. Patterson said that International Student programs, Childcare and Residence Halls. are expected soon.

Guests

Bart Patterson - Nevada State University - speaker
Chris - Assistant to Dr. Patterson

Visiting Rotarians

Robin Mondel - Casper, WY
Mark Roy - Irvine, CA

Former Member Janie Lynn Passes

The world is a sadder place following the loss of former RCGV Member Jamie Lynn who died June 2, 2016. Her Daughter Susie and Son Richard were by her side. Condolences may be sent to 1070 Via Saint Lucia Place, Henderson, NV 89011. A celebration of her life is being planned for the end of July or early August.

SuperBuild Completes Four Homes Near Tecate

Saturday, April 30th, Rotarians, family and friends representing Rotary District 5300 built homes for well deserving families just outside of Tecate, Mexico in what we call SuperBuild!

In partnership with Corazon, another non-profit organization that has been working to assist and strengthen communities in Mexico for over 20 years, District 5300 has participated since 2007.

Started by Christine Montan, Superbuild was carried for many years by Past District Governor, Gene Hernandez. Gene was honored this past build with a "Blue Shirt" which is a significant recognition by Corazon.

Rotarians and others have built anywhere from one to four homes a year for families that have dedicated hundreds if not close to two thousand hours to their communities.

Their commitment does not stop there. The recipients commitment themselves to further their education, to learn new trades to gain employment, to keep their children in school, to learn how to provide food through planting gardens, and to assist their neighbors and friends in achieving their dreams as well.

The cost to District 5300 is \$8400 for each house built which includes all mentioned above. This year the District raised enough to build four homes! A special thank you goes to the Pasadena Rotary Club and The Las Vegas Club. Two years in a row they have paid for two of the four homes to grow in the numbers of volunteers and homes built.
