Past District Governor (PDG) Larry Skaggs discussed the upcoming Rotary election. The Election Committee currently has Pres Bob and Pres Elect Brad Marx, but three more are needed on the committee. At the end of November, the three Nominee Elects as well as six Directors will be revealed to the Club. The new candidates will be presented December 1st, and the election will be held December 8th.

Heidi Woodruff introduced GVHS Student of the Month, Wenmei Bai. Wenmei is ranked number 10 out of 729 senior classmates with a 4.755 GPA. She excels in her Advance Placement courses, and she is active in Symphony Orchestra, National Honor Society, Varsity Quiz, Improv Club, and Outdoor Exploration club. She enjoys playing the guzheng with her

Chinese Music Ensemble. Her teachers admire her for her hard work, and they have stated that she is a model student and human being.

Trivia was about famous Rotarians. Among them are Walt Disney, Thomas Edison, John F. Kennedy, Wilbur Wright, and Colonel Sanders. The Colonel got his start selling chicken out of a gas station. Past Pres and Trivia Master Mike Peterson went around the room listening to what the members had to say while, at the same time collecting Happy Dollars. The Club was happy to welcome Stephen Tucker back, and he looked well following a stint in intensive care.

Dave McGovern was not happy that his car was hit by a Goodwill Truck. Judy Lloyd was happy with her recovery from oral surgery. Stephen Tucker was happy that he was able to makeup meetings online and maintain his perfect attendance. Darcy Dougherty was happy to see Stephen, and she is happy that there are some exciting times for the Club ahead. Gerry Helsinki was happy for the Student of the Month and for his guest from the State Board of Education.

Dave Jochman had a damn it dollar because all of his favorite sports teams lost that week. Past Pres Jim Frey was also happy for the Student of the Month and for the Rebels Women's volleyball team. Pres Bob was happy for our Student of the Month, and he was happy that Ted Durant is looking for a grocery store to partner with on our Souperbowl of Caring.

PDG Larry introduced our guest speaker, Linda Bertuzzi. Linda shared a heartfelt video from her daughter which expressed their feelings about being involved with last year's National Immunization Day (NID) and the water project in India. In one day Rotarians administered between 1.1 and 1.5 million polio vaccines to the needy in India. Volunteers also built a dam to

help bring the people of the villages clean water. Linda urged the audience to consider making the trip ourselves.

There are two scholarships being awarded to go on the 2017 India NID and Water Project trip, scheduled in February, 2017. Participants must be between the ages of 21-35 and can be a Rotarian or a non-Rotarian. Contact

Linda at: [linda.downtownlvrotary@gmail.com](mailto:linda.downtownlvrotary@gmail.com) for more information.

Following Linda's "feel good" program, the raffle was held. The big prize remains available for the coming weeks as the joker is still in the deck. The meeting was adjourned at 8:15 a.m.
